18 WHEREAS, some employees have waited months for their

20 to be processed, and for payment of the salary that is

22 and

23
24 WHEREAS, state law regulates the payment of wages and other
25 compensation for the public sector including the timing of
26 payment of wages under section 78-13, Hawaii Revised Statutes;
27 and

28
29 WHEREAS, the State has an obligation to make changes that
30 will significantly improve the technology used to issue
31 payments, streamline government operations, enhance
32 functionality, and eliminate a reliance on manual, paper-based
33 processes through web-based services; now, therefore,
