
A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

PART I. FINDINGS AND PURPOSE

SECTION 1. The legislature finds that the homeless and affordable housing crises continue to be two of the State's most significant and challenging social problems.

The most recent estimate of the total number of homeless persons in the State is six thousand twenty-nine on any given day. In addition, the Hawaii Homeless Point-in-Time Study of 2003 found that over four thousand of these homeless persons are unsheltered. This is indicative of the limited shelter space available in the State.

Also troubling is the fact that a staggering thirty-seven per cent of the unsheltered homeless are individuals of Hawaiian or part-Hawaiian ancestry. Equally troubling is the fact that on any given day, there are eight hundred thirty-eight homeless children in the State. None of these numbers reflect the number of people who are considered hidden homeless or those who are at-risk of homelessness.

1 Housing, in general, is a critical issue for many residents
2 in Hawaii, where the cost of homeownership and rentals are
3 increasing. The prospect of making high mortgage payments and
4 saving enough money for the downpayment and closing costs needed
5 to buy a home at current market prices is a formidable
6 challenge. Even higher income families must often seek help
7 from relatives to overcome this obstacle. More needs to be done
8 to increase the inventory of, and ensure that residents have
9 access to, affordable housing, as well.

10 The legislature recognizes that meaningful solutions to
11 Hawaii's housing and homeless problems must be found.

12 The purpose of this Act is to:

- 13 (1) Provide funding for various homeless shelters and
14 transitional housing programs and services;
- 15 (2) Require the Hawaii housing finance and development
16 corporation to create an affordable housing inventory
17 registry;
- 18 (3) Extend the sunset date for the allocation of a
19 percentage of conveyance tax revenues to the rental
20 housing trust fund to June 30, 2012; and
- 21 (4) Provide funding for various affordable and public
22 housing programs.
