# A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Airports throughout the United States have  
2 renovated, reconfigured, and relocated rental motor vehicle  
3 customer facilities as an appropriate means of efficiently and  
4 effectively dealing with increased demands for space. Many, if  
5 not most, of these airports commonly use the collection of a  
6 rental motor vehicle customer facility charge to finance the  
7 renovation, construction, operation, and maintenance of rental  
8 motor vehicle customer facilities and pay for associated shuttle  
9 bus systems to transport passengers to and from these rental  
10 motor vehicle customer facilities without adversely affecting  
11 general airport funds.

12           Further, the legislature finds that concessionaires,  
13 including rental motor vehicle companies, have historically  
14 contributed about 50 per cent or more of Hawaii's airport  
15 revenues by way of concession rental payments. Such revenues  
16 have typically been used primarily to pay for improvements for  
17 airlines as well as some improvements for airport concessions.

1 It is not the intent of the legislature to preclude the use of  
2 such revenues for facility improvements and other support for  
3 rental motor vehicle concessions at public airports by the  
4 passage of this Act. Given the future expenditure plans and  
5 present shortage of airport revenues for facility and other  
6 improvements, it is the intent of the legislature to expedite  
7 the provision of needed rental motor vehicle customer facilities  
8 that can better serve Hawaii's visitors and residents.

9 The purpose of this Act is to provide the department of  
10 transportation with the authority to establish and collect a  
11 rental motor vehicle customer facility charge dedicated to the  
12 renovation and development of rental motor vehicle customer  
13 facilities, including, without limitation, acquisition of  
14 property or property rights; acquisition of equipment for and  
15 operation of a unified shuttle bus system to and from passenger  
16 terminals and rental motor vehicle customer facilities; and  
17 design, construction, renovation, operation, and maintenance of  
18 the rental motor vehicle customer facilities.

19 SECTION 2. Chapter 261, Hawaii Revised Statutes, is  
20 amended by adding a new section to be appropriately designated  
21 and to read as follows:

22 "§261- Rental motor vehicle customer facility charge

1 special fund. (a) There is established in the state treasury  
2 the rental motor vehicle customer facility charge special fund  
3 to be administered by the director, into which shall be  
4 deposited all proceeds from the rental motor vehicle customer  
5 facility charge.

6 (b) Moneys in the rental motor vehicle customer facility  
7 charge special fund shall be used for enhancement, renovation,  
8 operation, and maintenance of existing rental motor vehicle  
9 customer facilities and the development of new rental motor  
10 vehicle customer facilities at state airports, including:

11 (1) Acquisition and maintenance of property or property  
12 rights for rental motor vehicle purposes;

13 (2) Acquisition of equipment for and operation of a  
14 unified shuttle bus system to and from passenger  
15 terminals and the rental motor vehicle customer  
16 facilities;

17 (3) Consultant fees;

18 (4) Management, operation, and maintenance fees for rental  
19 motor vehicle customer facilities and related  
20 services; and

1       (5) Design, construction, operation, and maintenance of,  
2           or allocable to, the approved rental motor vehicle  
3           customer facilities.

4 In planning the future needs and expenditures of these moneys,  
5 the director, or deputy designated by the director, shall, at  
6 least once a year, consult with lessors, as defined in section  
7 437D-3, who are using or who in the future may use the  
8 facilities and services. No moneys shall be expended to plan,  
9 design, improve, enhance, acquire, or construct rental motor  
10 vehicle customer facilities, equipment, or services shared or to  
11 be shared by rental motor vehicle concessions at a state airport  
12 except as determined by the director.

13       (c) The rental motor vehicle customer facility charge  
14 special fund shall be exempt from sections 36-30 and 103-8.5."

19           261D-1;

 18 administrative expenses incurred by the department responsible  
 19 for the operations supported by the special fund concerned."

20 SECTION 4. Section 103-8.5, Hawaii Revised Statutes, is  
 21 amended by amending subsection (a) to read as follows:

1           "(a) There is created a works of art special fund, into  
 2 which shall be transferred one per cent of all state fund  
 3 appropriations for capital improvements designated for the  
 4 construction cost element; provided that this transfer shall  
 5 apply only to capital improvement appropriations that are  
 6 designated for the construction or renovation of state  
 7 buildings. The one per cent transfer requirement shall not  
 8 apply to appropriations from the passenger facility charge  
 9 special fund established by section 261-5.5[~~-~~] and the rental  
 10 motor vehicle customer facility charge special fund established  
 11 under section 261- ."

12           SECTION 5. Section 261-5, Hawaii Revised Statutes, is  
 13 amended by amending subsection (a) to read as follows:

14           "(a) Except for [~~that~~]:

15           (1) That portion of the payments received by the  
 16 department under a contract entered into as authorized  
 17 by section 261-7 and deposited in the transportation  
 18 use special fund pursuant to section 261D-1[~~-~~and  
 19 ~~except for all~~];

20           (2) All proceeds from the passenger facility charge and  
 21 deposited in the passenger facility charge special

1       (3) All proceeds from the rental motor vehicle customer  
2       facility charge and deposited in the rental motor  
3       vehicle customer facility charge special fund,  
4 all moneys received by the department from rents, fees, and  
5 other charges collected pursuant to this chapter, as well as all  
6 aviation fuel taxes paid pursuant to section 243-4(a)(2), shall  
7 be paid into the airport revenue fund created by section 248-8.

8       All moneys paid into the airport revenue fund shall be  
9 appropriated, applied, or expended by the department for any  
10 purpose within the jurisdiction, powers, duties, and functions  
11 of the department related to the statewide system of airports,  
12 including, without limitation, the costs of operation,  
13 maintenance, and repair of the statewide system of airports and  
14 reserves therefor, and acquisitions (including real property and  
15 interests therein), constructions, additions, expansions,  
16 improvements, renewals, replacements, reconstruction,  
17 engineering, investigation, and planning for the statewide  
18 system of airports, all or any of which in the judgment of the  
19 department are necessary to the performance of its duties or  
20 functions. The department shall generate sufficient revenues  
21 from its airport properties to meet all of the expenditures of  
22 the statewide system of airports and to comply with section 39-

1 61; provided that as long as sufficient revenues are generated  
 2 to meet such expenditures, the director of transportation may,  
 3 in the director's discretion, grant a rebate of the aviation  
 4 fuel taxes paid into the airport revenue fund during a fiscal  
 5 year pursuant to sections 243-4(a)(2) and 248-8 to any person  
 6 who has paid airport use charges or landing fees during such  
 7 fiscal year. Such rebate may be granted during the next  
 8 succeeding fiscal year but shall not exceed one-half cent per  
 9 gallon per person, and shall be computed on the total number of  
 10 gallons for which the tax was paid by such person, for such  
 11 fiscal year."

12 SECTION 6. Section 261-7, Hawaii Revised Statutes, is  
 13 amended to read as follows:

14 "§261-7 Operation and use privileges. (a) In operating  
 15 an airport or air navigation facility owned or controlled by the  
 16 department of transportation, or in which it has a right or  
 17 interest, the department may enter into contracts, leases,  
 18 licenses, and other arrangements with any person:

- 19 (1) Granting the privilege of using or improving the
- 20 airport or air navigation facility or any portion or
- 21 facility thereof or space therein for commercial
- 22 purposes;

- 1 (2) Conferring the privilege of supplying goods,  
2 commodities, things, services, or facilities at the  
3 airport or air navigation facility;
- 4 (3) Making available services, facilities, goods,  
5 commodities, or other things to be furnished by the  
6 department or its agents at the airport or air  
7 navigation facility; or
- 8 (4) Granting the use and occupancy on a temporary basis by  
9 license or otherwise any portion of the land under its  
10 jurisdiction which for the time being may not be  
11 required by the department so that it may put the area  
12 to economic use and thereby derive revenue therefrom.

13 All the arrangements shall contain a clause that the land  
14 may be repossessed by the department when needed for aeronautics  
15 purposes upon giving the tenant temporarily occupying the same  
16 not less than thirty days' notice in writing of intention to  
17 repossess.

18 (b) Except as otherwise provided in this section, in each  
19 case mentioned in subsection (a) (1), (2), (3), and (4), the  
20 department may establish the terms and conditions of the  
21 contract, lease, license, or other arrangement, and may fix the  
22 charges, rentals, or fees for the privileges, services, or

1 things granted, conferred, or made available, for the purpose of  
2 meeting the expenditures of the statewide system of airports set  
3 forth in section 261-5(a), which includes expenditures for  
4 capital improvement projects approved by the legislature. Such  
5 charges shall be reasonable and uniform for the same class of  
6 privilege, service, or thing.

7 (c) The department shall enter into a contract with no  
8 more than one person ("contractor") for the sale and delivery of  
9 in-bond merchandise at Honolulu International Airport, in the  
10 manner provided by law. The contract shall confer the right to  
11 operate and maintain commercial facilities within the airport  
12 for the sale of in-bond merchandise and the right to deliver to  
13 the airport in-bond merchandise for sale to departing foreign-  
14 bound passengers.

15 The department shall grant the contract pursuant to the  
16 laws of this State and may take into consideration:

17 (1) The payment to be made on in-bond merchandise sold at  
18 Honolulu International Airport and on in-bond  
19 merchandise displayed or sold elsewhere in the [State]  
20 state and delivered to the airport;

1 (2) The ability of the applicant to comply with all  
2 federal and state rules and regulations concerning the  
3 sale and delivery of in-bond merchandise; and

4 (3) The reputation, experience, and financial capability  
5 of the applicant.

6 The department shall actively supervise the operation of  
7 the contractor to [~~insure~~] ensure its effectiveness. The  
8 department shall develop and implement such guidelines as it may  
9 find necessary and proper to actively supervise the operations  
10 of the contractor, and shall include guidelines relating to the  
11 department's review of the reasonableness of contractor's price  
12 schedules, quality of merchandise, merchandise assortment,  
13 operations, and service to customers.

14 Apart from the contract described in this subsection, the  
15 department shall confer no right upon nor suffer nor allow any  
16 person to offer to sell, sell, or deliver in-bond merchandise at  
17 Honolulu International Airport; provided that this section shall  
18 not prohibit the delivery of in-bond merchandise as cargo to the  
19 Honolulu International Airport.

20 (d) The department, by contract, lease, or other  
21 arrangement, upon a consideration fixed by it, may grant to any  
22 qualified person the privilege of operating, as agent of the

1 State or otherwise, any airport owned or controlled by the  
2 department; provided that no such person shall be granted any  
3 authority to operate the airport other than as a public airport  
4 or to enter into any contracts, leases, or other arrangements in  
5 connection with the operation of the airport which the  
6 department might not have undertaken under subsection (a).

7 (e) The department may fix and regulate, from time to  
8 time, reasonable landing fees for aircraft, including the  
9 imposition of landing surcharges or differential landing fees,  
10 and other reasonable charges for the use and enjoyment of the  
11 airports and the services and facilities furnished by the  
12 department in connection therewith, including the establishment  
13 of a statewide system of airports landing fees, a statewide  
14 system of airports support charges, and joint use charges for  
15 the use of space shared by users, which fees and charges may  
16 vary among different classes of users such as foreign carriers,  
17 domestic carriers, inter-island carriers, air taxi operators,  
18 helicopters, and such other classes as may be determined by the  
19 director, for the purpose of meeting the expenditures of the  
20 statewide system of airports set forth in section 261-5(a),  
21 which includes expenditures for capital improvement projects  
22 approved by the legislature.

1 In setting airports rates and charges, including landing  
2 fees, the director may enter into contracts, leases, licenses,  
3 and other agreements with aeronautical users of the statewide  
4 system of airports containing such terms, conditions, and  
5 provisions as the director deems advisable.

6 If the director has not entered into contracts, leases,  
7 licenses, and other agreements with any or fewer than all of the  
8 aeronautical users of the statewide system of airports prior to  
9 the expiration of an existing contract, lease, license, or  
10 agreement, the director shall set and impose rates, rentals,  
11 fees, and charges pursuant to this subsection without regard to  
12 the requirements of chapter 91; provided that a public  
13 informational hearing shall be held on the rates, rentals, fees,  
14 and charges.

15 The director shall develop rates, rentals, fees, and  
16 charges in accordance with a residual methodology so that the  
17 statewide system of airports shall be, and always remain, self-  
18 sustaining. The rates, rentals, fees, and charges shall be set  
19 at such levels as to produce revenues which, together with  
20 aviation fuel taxes, shall be at least sufficient to meet the  
21 expenditures of the statewide system of airports set forth in  
22 section 261-5(a), including expenditures for capital improvement

1 projects approved by the legislature, and to comply with  
2 covenants and agreements with holders of airport revenue bonds.

3 The director may develop and formulate methodology in  
4 setting the various rates, rentals, fees, and charges imposed  
5 and may determine usage of space, estimate landed weights, and  
6 apply such portion of nonaeronautical revenue deemed appropriate  
7 in determining the rates, rentals, fees, and charges applicable  
8 to aeronautical users of the statewide system of airports.

9 The rates, rentals, fees, and charges determined by the  
10 director in the manner set forth in this subsection shall be  
11 those charges payable by the aeronautical users for the periods  
12 immediately following the date of expiration of the existing  
13 contract, lease, license, or agreement. If fees are established  
14 pursuant to this section, the department shall prepare a  
15 detailed report on the circumstances and rates and charges that  
16 have been established, and shall submit the report to the  
17 legislature no later than twenty days prior to the convening of  
18 the next regular session.

19 If a schedule of rates, rentals, fees, and charges  
20 developed by the director in accordance with this section is  
21 projected by the department to produce revenues which, together  
22 with aviation fuel taxes, will be in excess of the amount

1 required to meet the expenditures of the statewide system of  
2 airports set forth in section 261-5(a), including expenditures  
3 for capital improvement projects approved by the legislature,  
4 and to comply with covenants and agreements with holders of  
5 airport revenue bonds, the department shall submit the schedule  
6 of rates, rentals, fees, and charges to the legislature prior to  
7 the convening of the next regular session of the legislature.  
8 Within forty-five days after the convening of the regular  
9 session, the legislature may disapprove any schedule of rates,  
10 rentals, fees, and charges required to be submitted to it by  
11 this section by concurrent resolution. If no action is taken by  
12 the legislature within the forty-five-day period the schedule of  
13 rates, rentals, fees, and charges shall be deemed approved. If  
14 the legislature disapproves the schedule within the forty-five-  
15 day period, the director shall develop a new schedule of rates,  
16 rentals, fees, and charges in accordance with this section  
17 within seventy-five days of the disapproval. Pending the  
18 development of a new schedule of rates, rentals, fees, and  
19 charges, the schedule submitted to the legislature shall remain  
20 in force and effect.

21 Notwithstanding any other provision of law to the contrary,  
22 the department may waive landing fees and other aircraft charges

1 established under this section at any airport owned or  
2 controlled by the State whenever:

- 3 (1) The governor declares a state of emergency; and
- 4 (2) The department determines that the waiver of landing
- 5 fees and other charges for the aircraft is consistent
- 6 with assisting in the delivery of humanitarian relief
- 7 to disaster-stricken areas of the [~~State.~~] state.

8 (f) To enforce the payment of any charges for repairs or  
9 improvements to, or storage or care of any personal property  
10 made or furnished by the department or its agent in connection  
11 with the operation of an airport or air navigation facility  
12 owned or operated by the department, the department shall have  
13 liens on the property, which shall be enforceable by it as  
14 provided by sections 507-18 to 507-22.

15 (g) The department from time to time may establish  
16 developmental rates for buildings and land areas used  
17 exclusively for general aviation activities at rates not less  
18 than fifty per cent of the fair market rentals of the buildings  
19 and land areas and may restrict the extent of buildings and land  
20 areas to be [~~utilized.~~] used.

21 (h) Notwithstanding any laws to the contrary, the  
22 department may establish, levy, assess, and collect rental motor

1 vehicle customer facility charges which shall be paid to the  
2 department periodically as determined by the department. These  
3 charges shall be as reasonably necessary to pay for, or finance  
4 on a long-term basis where appropriate, the uses of the rental  
5 motor vehicle customer facility charges as set forth by the  
6 rental motor vehicle customer facility charge special fund in  
7 section 261- .

8 The rental motor vehicle customer facility charges shall be  
9 levied, assessed, and collected from all rental motor vehicle  
10 customers who benefit from the use of any type of rental motor  
11 vehicle facility or service provided by the department at a  
12 state airport.

13 All rental motor vehicle customer facility charges shall be  
14 collected by lessors as defined in section 437D-3 and who  
15 operate a car rental concession awarded by the department at a  
16 state airport; provided that customers of lessors, as defined in  
17 section 437D-3, who do not operate a car rental concession at a  
18 state airport but whose customers benefit from the use of a car  
19 rental facility or service at a state airport paid for by rental  
20 motor vehicle customer facility charges, shall collect from such  
21 car rental customers, rental motor vehicle customer facility  
22 charges in an amount determined by the department that

1 represents a fair share of the cost and ongoing expenses  
2 relating to customer use of such a facility or service. All  
3 rental motor vehicle customer facility charges collected by such  
4 lessor shall be paid to the department.

5 Notwithstanding any law to the contrary, the department may  
6 contract the management, maintenance, and operations of the  
7 facility and related services with airport concessions or their  
8 designee that share in the use of a rental motor vehicle  
9 customer facility at a state airport."

10 SECTION 7. Section 437D-8.4, Hawaii Revised Statutes, is  
11 amended by amending subsection (a) to read as follows:

12 "(a) Notwithstanding any law to the contrary, a lessor may  
13 visibly pass on to a lessee:

14 (1) The general excise tax attributable to the  
15 transaction;

16 (2) The vehicle license and registration fee and weight  
17 taxes, prorated at 1/365th of the annual vehicle  
18 license and registration fee and weight taxes actually  
19 paid on the particular vehicle being rented for each  
20 full or partial [~~twenty-four hour~~] twenty-four-hour  
21 rental day that the vehicle is rented; provided the  
22 total of all vehicle license and registration fees

1 charged to all lessees shall not exceed the annual  
2 vehicle license and registration fee actually paid for  
3 the particular vehicle rented;

4 (3) The rental motor vehicle surcharge tax as provided in  
5 section 251-2 attributable to the transaction;

6 (4) The county surcharge on state tax under section  
7 46-16.8; provided that the lessor itemizes the tax for  
8 the lessee; and

9 (5) The rents or fees paid to the department of  
10 transportation under concession contracts [7]  
11 negotiated pursuant to chapter 102, [ex] service  
12 permits [7] granted pursuant to title 19, Hawaii  
13 Administrative Rules, or rental motor vehicle customer  
14 facility charges established pursuant to section 261-  
15 7; provided that:

16 (A) The rents or fees are limited to amounts that can  
17 be attributed to the proceeds of the particular  
18 transaction;

19 (B) The rents or fees shall not exceed the lessor's  
20 net payments to the department of transportation  
21 made under concession contract or service permit;

- 1 (C) The lessor submits to the department of
- 2 transportation and the department of commerce and
- 3 consumer affairs a statement, verified by a
- 4 certified public accountant as correct, that
- 5 reports the amounts of the rents or fees paid to
- 6 the department of transportation pursuant to the
- 7 applicable concession contract or service permit:
- 8 (i) For all airport locations; and
- 9 (ii) For each airport location;
- 10 (D) The lessor submits to the department of
- 11 transportation and the department of commerce and
- 12 consumer affairs a statement, verified by a
- 13 certified public accountant as correct, that
- 14 reports the amounts charged to lessees:
- 15 (i) For all airport locations;
- 16 (ii) For each airport location; and
- 17 (iii) For each lessee;
- 18 (E) The lessor includes in these reports the
- 19 methodology used to determine the amount of fees
- 20 charged to each lessee; and
- 21 (F) The lessor submits the above information to the
- 22 department of transportation and the department

1 of commerce and consumer affairs within three  
2 months of the end of the preceding annual  
3 accounting period or contract year as determined  
4 by the applicable concession agreement or service  
5 permit.

6 The respective departments, in their sole discretion,  
7 may extend the time to submit the statement required  
8 in this subsection. If the director determines that  
9 an examination of the lessor's information is  
10 inappropriate under this subsection and the lessor  
11 fails to correct the matter within ninety days, the  
12 director may conduct an examination and charge a  
13 lessor an examination fee based upon the cost per hour  
14 per examiner for evaluating, investigating, and  
15 verifying compliance with this subsection, as well as  
16 additional amounts for travel, per diem, mileage, and  
17 other reasonable expenses incurred in connection with  
18 the examination, which shall relate solely to the  
19 requirements of this subsection, and which shall be  
20 billed by the departments as soon as feasible after  
21 the close of the examination. The cost per hour shall  
22 be \$40 or as may be established by rules adopted by

1 the director. The lessor shall pay the amounts billed  
2 within thirty days following the billing. All moneys  
3 collected by the director shall be credited to the  
4 compliance resolution fund."

5 SECTION 8. Notwithstanding section 6 of this Act, the  
6 department of transportation, as of September 1, 2008, shall  
7 levy, assess, and collect a rental motor vehicle customer  
8 facility charge of \$1 per day, or any portion of a day that a  
9 rental motor vehicle is rented or leased, by a rental motor  
10 vehicle concession where customers pick up and return rental  
11 vehicles to a facility at a state airport as determined by the  
12 director. Moneys shall continue to be collected only until such  
13 time that the sum of \$25,000,000 is collected and deposited into  
14 the rental motor vehicle customer facility charge special fund.  
15 The provisions of this section shall not impair, limit, or
