A BILL FOR AN ACT

RELATING TO MENTAL HEALTH COUNSELORS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 14, Session Laws of Hawaii 2006 (Act 14),
2 was enacted to amend the definition of the "practice of mental
3 health counseling" by clarifying that professional counseling
4 services are determined by the specialized education, training,
5 and experience that a practitioner has completed. In addition,
6 Act 14 sets terms and conditions for interns and post-graduate
7 work.

8 The purpose of this Act is to clarify the requirements for
9 mental health counselor licensure by establishing that those
10 persons who applied to the department after July 1, 2005, and
11 graduated from an accredited program before July 1, 2007, may be
12 eligible for licensure.

13 SECTION 2. Section 453D-7, Hawaii Revised Statutes, is
14 amended to read as follows:

15 "**§453D-7 Application for licensure as a mental health**
16 **counselor.** (a) Any person who applies to the department after
17 July 1, 2005, and who graduated after July 1, 2007, from an

1 accredited program as specified in paragraph (1), shall be
2 issued a license by the department if the applicant provides
3 satisfactory evidence to the department that the applicant is
4 qualified for licensure pursuant to the requirements of this
5 chapter and meets the following qualifications:

6 (1) A master's degree or doctoral degree from an
7 accredited educational institution in counseling or in
8 an allied field related to the practice of mental
9 health counseling that includes or is supplemented by
10 graduate level course work in counseling comprising a
11 minimum of forty-eight semester hours or seventy-two
12 quarter hours in the following course areas, with a
13 minimum of three semester hours or five quarter hours
14 in each course area as indicated below:

15 (A) Human growth and development, including but not
16 limited to the study of life span development,

7 disability, ethnicity and culture, gender,
8 socioeconomics, intellectual ability, and
9 individual, family, and group strategies with
10 diverse populations;

11 (C) Counseling theories and applications, including
12 but not limited to counseling and consultation,
13 including both individual and systems
14 perspectives, interviewing, assessment, and
15 counseling skills, as well as applying
16 principles, methods, and theories of counseling,
17 treatment and counseling of mental and emotional
18 disorders, and educational techniques aimed at
19 preventing such disorders with individuals and
20 families;

21 (D) Group theory and practice, including but not
22 limited to principles of group dynamics, group

1 process, group leadership styles, theories and
2 methods of group counseling, and the application
3 of theory to the group processes;

4 (E) Career and lifestyle development, including but
5 not limited to the study of vocational
6 development theories and decisionmaking models,
7 assessment instruments, and techniques, types,
8 sources, and uses of occupational and educational
9 information systems, career development
10 applications, and career counseling processes,
11 techniques, and resources;

12 (F) Appraisal of human behavior, including but not
13 limited to assessment and diagnosis of disorders
14 with an emphasis on DSM-IV categories, and an
15 understanding of these disorders relative to the
16 counseling context;

17 (G) Tests and measurements, including but not limited
18 to theoretical and historical bases for
19 assessment techniques, assessment methods,
20 including analysis of various types of tests in
21 order to select, administer, interpret, and use

1 assessment and evaluation instruments and
2 techniques in counseling;
3 (H) Research and program evaluation, including but
4 not limited to research design and methods,
5 statistical analysis, principles, practices, and
6 application of needs assessment, and program
7 evaluation; and

8 (I) Professional orientation and ethics, including
9 but not limited to the history of the helping
10 profession, professional roles and functions,
11 ethical standards, confidentiality, professional
12 organizations, and the public policy process,
13 including advocacy on behalf of the profession
14 and its clientele;

15 (2) At least two academic terms of supervised mental
16 health practicum intern experience for graduate credit
17 of at least three semester hours or five quarter hours
18 per academic term in a mental health counseling
19 setting with three hundred hours of supervised client
20 contact; the practicum experience shall be completed
21 under the clinical supervision of a person who is
22 licensed as a mental health counselor, psychologist,
