# A BILL FOR AN ACT

RELATING TO TAXATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The purpose of this Act is to adopt changes to  
2 Hawaii's tax law that will allow Hawaii to participate in the  
3 streamlined sales and use tax agreement. By enacting the Hawaii  
4 Simplified Sales and Use Tax Administration Act, Act 173,  
5 Session Laws of Hawaii 2003, the State of Hawaii became a  
6 participating member of the National Streamlined Sales Tax  
7 Project.

8           In furtherance of the State's efforts to comply with the  
9 terms and conditions of the conforming legislation reflected in  
10 the Streamlined Sales Tax Project's model agreement and act, the  
11 Hawaii state legislature enacted Act 3, Special Session Laws of  
12 Hawaii 2005. Act 3, in part, establishes a technical advisory  
13 group to assist the state department of taxation in identifying  
14 and resolving issues necessary for Streamlined Sales Tax Project  
15 compliance. In addition, a joint house-senate legislative  
16 oversight committee has been formed to provide additional tax  
17 policy support and guidance. This Act is a culmination of these  
18 efforts.

1 In order to participate in the streamlined sales and use  
 2 tax agreement, Hawaii must amend its tax law in conformity with  
 3 the streamlined sales and use tax agreement. To conform, Hawaii  
 4 must adopt a single rate of general excise tax, Hawaii's  
 5 substitute for a sales tax. In accordance with advice received  
 6 from the Streamlined Sales Tax Governing Board and COST, a  
 7 national organization representing businesses, this was  
 8 accomplished by:

- 9 (1) Moving the one-half of one per cent tax rate for  
 10 wholesale transactions to a new chapter;
- 11 (2) Adding a new chapter on the taxation of imports of  
 12 property, services, and contracting;
- 13 (3) Moving the 0.15 per cent tax on insurance producers to  
 14 a new chapter; and
- 15 (4) Eliminating the tax on businesses owned by disabled  
 16 persons.

17 This Act also provides for destination-based sourcing and  
 18 amnesty.

19 In addition, this Act offers an opportunity to fund the  
 20 preparation and planning for Hawaii's future in the twenty-first  
 21 century by earmarking a percentage of tax revenues collected  
 22 from wholesale transactions, insurance procedures, and imports

1 of property, services, and contracting for the education of  
2 Hawaii's youth, including early childhood through K-12 schooling  
3 to college and career and workforce training.

4 SECTION 2. The Hawaii Revised Statutes is amended by  
5 adding a new chapter to be appropriately designated and to read  
6 as follows:

7 **"CHAPTER**

8 **TAX ON WHOLESALERS, SERVICE BUSINESSES, AND CONTRACTORS**

9 **§A-1 Definitions.** "Department" means the department of  
10 taxation.

11 The definitions contained in sections 237-1, 237-2, and

13 **§A-2 "Wholesaler" and "jobber" defined.** (a) "Wholesaler"  
14 or "jobber" applies only to a person making sales at wholesale.

1           preservation, manufacture, or processing, including  
2           preparation for market, and that will remain in a  
3           finished or saleable product in a form as to be

11          is to be sold and not otherwise used by the producer  
12          or cooperative association, including specifically  
13          materials or commodities expended as essential to the  
14          planting, growth, nurturing, and production of

9           manufactured product as described in paragraph (2) or

13          provided that in the case of a feed lot operator, only

16          service to a licensed producer of poultry or animals  
17          to be butchered or to a cooperative association  
18          described in section 237-23(a)(7) of these licensed  
19          producers shall be deemed to be a sale at wholesale;  
20          and provided further that any amount derived from the  
21          furnishing of feed lot services, other than the  
22          segregated cost of feed, shall be deemed taxable at

1 the service business rate specified in section  
2 A-6(a) (5). This paragraph shall not apply to the sale

- 13                   licensed seller for the purpose of
- 14                   manufacturing, producing, or preparing
- 15                   tangible personal property to be sold;
- 16               (iii) In the context of a services-to-contracting

9       (b) If the use tax law under chapter B is finally held by  
10       a court of competent jurisdiction to be unconstitutional or  
11       invalid insofar as it purports to tax the use or consumption of  
12       tangible personal property imported into the State in interstate  
13       or foreign commerce, or both, wholesalers and jobbers shall be  
14       taxed thereafter under this chapter in accordance with the  
15       following definition (which shall supersede the definitions for  
16       "wholesaler" or "jobber" in subsection (a) of this section):  
17       "Wholesaler" or "jobber" means a person, or an organized  
18       division thereof, definitely organized to render and rendering a  
19       general distribution service that buys and maintains at the  
20       person's place of business a stock or lines of merchandise that  
21       the person distributes; and that the person, through  
22       salespersons, advertising, or sales promotion devices, sells to

1 licensed retailers, to institutional, or licensed commercial or  
2 industrial users, in wholesale quantities and at wholesale  
3 rates. A corporation deemed not to be carrying on a trade or  
4 business in this State under section 235-6 shall nevertheless be  
5 deemed to be a wholesaler and shall be subject to the tax  
6 imposed by this chapter.

7       **§A-3 "Producer" defined.** (a) "Producer" means any person  
8 engaged in the business of raising and producing agricultural  
9 products in their natural state, or in producing natural  
10 resource products, or engaged in the business of fishing or  
11 aquaculture, for sale, or for shipment or transportation out of  
12 the State, of the agricultural or aquaculture products in their  
13 natural or processed state, or butchered and dressed, or the  
14 natural resource products, or fish.

15       (b) As used in this section, "agricultural products"  
16 include floricultural, horticultural, viticultural, forestry,  
17 nut, coffee, dairy, livestock, poultry, bee, animal, and any  
18 other farm, agronomic, or plantation products.

19       **§A-4 Definitions; "contractor", "service business or**  
20 **calling".** The definitions contained in sections 237-6 and 237-7  
21 shall be applicable for this chapter.

1           **§A-5 Administrative provisions.** Sections 237-8, 237-9,  
2 237-9.5, 237-11, and 237-12 shall be applicable for this  
3 chapter.

4           **§A-6 Imposition of tax.** (a) There is hereby levied and  
5 shall be assessed and collected annually privilege taxes against  
6 persons on account of their business and other activities in the  
7 State measured by the application of rates against values of  
8 products, gross proceeds of sales, or gross income, whichever is  
9 specified, as follows:

10           (1) Tax on manufacturers:

11           (A) Upon every person engaging or continuing within  
12 the State in the business of manufacturing,  
13 including compounding, canning, preserving,  
14 packing, printing, publishing, milling,  
15 processing, refining, or preparing for sale,  
16 profit, or commercial use, either directly or  
17 through the activity of others, in whole or in  
18 part, any article or articles, substance or  
19 substances, commodity or commodities, the amount  
20 of the tax to be equal to the value of the  
21 articles, substances, or commodities,  
22 manufactured, compounded, canned, preserved,

1 packed, printed, milled, processed, refined, or  
2 prepared for sale, as shown by the gross proceeds  
3 derived from the sale thereof by the manufacturer  
4 or person compounding, preparing, or printing  
5 them, multiplied by one-half of one per cent;

6 (B) The measure of the tax on manufacturers is the  
7 value of the entire product for sale, regardless  
8 of the place of sale or the fact that deliveries  
9 may be made to points outside the State;

10 (C) If any person liable for the tax on manufacturers  
11 ships or transports the person's product, or any  
12 part thereof, out of the State, whether in a  
13 finished or unfinished condition, or sells the  
14 same for delivery to points outside the State  
15 (for example, consigned to a mainland purchaser  
16 via common carrier f.o.b. Honolulu), the value of  
17 the products in the condition or form in which  
18 they exist immediately before entering interstate  
19 or foreign commerce, determined as hereinafter  
20 provided, shall be the basis for the assessment  
21 of the tax imposed by this paragraph. This tax  
22 shall be due and payable as of the date of entry

1 of the products into interstate or foreign  
2 commerce, whether the products are then sold or  
3 not. The department shall determine the basis  
4 for assessment, as provided by this paragraph, as  
5 follows:

6 (i) If the products at the time of their entry  
7 into interstate or foreign commerce already  
8 have been sold, the gross proceeds of sale,  
9 less the transportation expenses, if any,  
10 incurred in realizing the gross proceeds for  
11 transportation from the time of entry of the  
12 products into interstate or foreign  
13 commerce, including insurance and storage in  
14 transit, shall be the measure of the value  
15 of the products;

16 (ii) If the products have not been sold at the  
17 time of their entry into interstate or  
18 foreign commerce, and in cases governed by  
19 clause (i) in which the products are sold  
20 under circumstances such that the gross  
21 proceeds of sale are not indicative of the  
22 true value of the products, the value of the

1 products constituting the basis for  
2 assessment shall correspond as nearly as  
3 possible to the gross proceeds of sales for  
4 delivery outside the State, adjusted as  
5 provided in clause (i) or, if sufficient  
6 data is not available, sales in the State of  
7 similar products of like quality and  
8 character and in similar quantities, made by  
9 the taxpayer (unless not indicative of the  
10 true value), or by others. Sales outside  
11 the State, adjusted as provided in clause  
12 (i), may be considered when they constitute  
13 the best available data. The department of  
14 taxation shall prescribe uniform and  
15 equitable rules for ascertaining the values;  
16 (iii) At the election of the taxpayer and with the  
17 approval of the department of taxation, the  
18 taxpayer may make the taxpayer's returns  
19 under clause (i) even though the products  
20 have not been sold at the time of their  
21 entry into interstate or foreign commerce;  
22 and

1           (iv) In all cases in which products leave the  
2           State in an unfinished condition, the basis  
3           for assessment shall be adjusted so as to  
4           deduct the portion of the value as is  
5           attributable to the finishing of the goods  
6           outside the State;

7       (2) Tax on producers. Upon every person engaging or  
8       continuing within this State in the business of a  
9       producer, the tax shall be equal to one-half of one  
10      per cent of the gross proceeds of sales of the  
11      business, or the value of the products, for sale, if  
12      sold for delivery outside the State or shipped or  
13      transported out of the State, and the value of the  
14      products shall be determined in the same manner as the  
15      value of manufactured products covered in the cases  
16      under paragraph (1) (C). No manufacturer or producer,  
17      engaged in the business of manufacturing or producing  
18      in the State and selling the manufacturer's or  
19      producer's products for delivery outside of the State  
20      (for example, consigned to a mainland purchaser via  
21      common carrier f.o.b. Honolulu), shall be required to  
22      pay the tax imposed in this chapter for the privilege

1 of so selling the products, and the value or gross  
2 proceeds of sales of the products shall be included  
3 only in determining the measure of the tax imposed  
4 upon the manufacturer or producer;

5 (3) Tax upon theaters, amusements, radio broadcasting  
6 stations, etc. Upon every person engaging or  
7 continuing within the State in the business of  
8 operating a theater, opera house, moving picture show,  
9 vaudeville, amusement park, dance hall, skating rink,  
10 radio broadcasting station, or any other place at  
11 which amusements are offered to the public, at  
12 wholesale, the tax shall be one-half of one per cent  
13 of the gross proceeds of the business;

14 (4) Tax on service business. Upon every person engaging  
15 or continuing within the State in any service business  
16 or calling including professional services not  
17 otherwise specifically taxed under this chapter, as a  
18 wholesaler under section A-2, the tax shall be equal  
19 to one-half of one per cent of the gross proceeds of  
20 the business;

21 (5) Tax on sales by wholesalers:

1 (A) Upon every person who is engaged in the business  
2 of a wholesaler or jobber under section A-2 or  
3 selling any tangible personal property whatsoever  
4 (not including, however, bonds or other evidences  
5 of indebtedness, or stocks), there is hereby  
6 levied, and shall be assessed and collected, a  
7 tax equivalent to one-half of one per cent of the  
8 gross proceeds of sales of the business as a  
9 wholesaler or jobber as defined in section A-2;  
10 and

11 (B) Gross proceeds of sales of tangible property in  
12 interstate and foreign commerce shall constitute  
13 a part of the measure of the tax imposed on  
14 persons in the business of selling tangible  
15 personal property as a wholesaler, to the extent,  
16 under the conditions, and in accordance with the  
17 provisions of the Constitution of the United  
18 States and the Acts of Congress of the United  
19 States that may be now in force or may be  
20 hereafter adopted, and whenever there occurs in  
21 the State an activity to which, under the  
22 Constitution and Acts of Congress, there may be

1 attributed gross proceeds of sales, the gross  
2 proceeds shall be so attributed.

3 (b) When a manufacturer or producer, engaged in business  
4 in the State, also is engaged in selling the manufacturer's or  
5 producer's products in the State at wholesale taxed under this  
6 chapter, retail, or in any other manner, the tax for the  
7 privilege of engaging in the business of selling the products in  
8 the State shall apply to the manufacturer or producer as well as  
9 the tax for the privilege of manufacturing or producing in the  
10 State, and the manufacturer or producer shall make the returns  
11 of the gross proceeds of the wholesale, retail, or other sales  
12 required for the privilege of selling in the State, as well as  
13 making the returns of the value or gross proceeds of sales of  
14 the products required for the privilege of manufacturing or  
15 producing in the State. The manufacturer or producer shall pay  
16 the tax imposed in this chapter for the privilege of selling its  
17 products in the State, and the value or gross proceeds of sales  
18 of the products, thus subjected to tax, may be deducted insofar  
19 as duplicated as to the same products by the measure of the tax  
20 upon the manufacturer or producer for the privilege of  
21 manufacturing or producing in the State under this chapter;  
22 provided that no producer of agricultural products who sells the

1 products to a purchaser who will process the products outside  
2 the State shall be required to pay the tax imposed in this  
3 chapter for the privilege of producing or selling those  
4 products.

5 **§A-7 Resale certificates.** (a) The department of  
6 taxation, by rule, may require that a seller take from the  
7 purchaser of tangible personal property a certificate, in a form  
8 prescribed by the department, certifying that the sale is a sale  
9 at wholesale; provided that:

10 (1) Any purchaser who furnishes a certificate shall be  
11 obligated to pay to the seller, upon demand, the  
12 amount of the additional tax that is imposed upon the  
13 seller whenever the sale in fact is not at wholesale;  
14 and

15 (2) The absence of a certificate in itself shall give rise  
16 to the presumption that the sale is not at wholesale  
17 unless the sales of the business are exclusively at  
18 wholesale.

19 (b) The department of taxation may require that the person  
20 rendering an amusement at wholesale take from the licensed  
21 seller a certificate, in a form prescribed by the department,  
22 certifying that the sale is a sale at wholesale; provided that:

1 (1) Any licensed seller who furnishes a certificate shall  
2 be obligated to pay to the person rendering the  
3 amusement, upon demand, the amount of additional tax  
4 that is imposed upon the seller whenever the sale is  
5 not at wholesale; and

6 (2) The absence of a certificate in itself shall give rise  
7 to the presumption that the sale is not at wholesale  
8 unless the person rendering the sale is exclusively  
9 rendering the amusement at wholesale.

10 (c) The department of taxation may require that the person  
11 rendering a service at wholesale take from the licensed seller a  
12 certificate, in a form prescribed by the department, certifying  
13 that the sale is a sale at wholesale; provided that:

14 (1) Any licensed seller who furnishes a certificate shall  
15 be obligated to pay to the person rendering the  
16 service, upon demand, the amount of additional tax  
17 that is imposed upon the seller whenever the sale is  
18 not at wholesale; and

19 (2) The absence of a certificate in itself shall give rise  
20 to the presumption that the sale is not at wholesale,  
21 unless the person rendering the sale is exclusively  
22 rendering services at wholesale.

1           **§A-8 Tax on receipts of sugar benefit payments.** Upon the  
2 amounts received from the United States government by any  
3 producer of sugar (or the producer's legal representative or  
4 heirs), as defined under and by virtue of the Sugar Act of 1948,  
5 as amended, or other Acts of the Congress of the United States  
6 relating thereto, there is hereby levied a tax of one-half of  
7 one per cent of the gross amount received; provided that the tax  
8 levied hereunder on any amount so received and actually  
9 disbursed to another by a producer in the form of a benefit  
10 payment shall be paid by the person or persons to whom the  
11 amount is actually disbursed, and the producer actually making a  
12 benefit payment to another shall be entitled to claim on the  
13 producer's return a deduction from the gross amount taxable  
14 hereunder in the sum of the amount so disbursed. The amounts  
15 taxed under this section shall not be taxable under any other  
16 paragraph, subsection, or section of this chapter.

17           **§A-9 Segregation of gross income, etc., on records and in**  
18 **returns.** The imposition of taxes and the application of tax  
19 rates do not depend upon the business in which the taxpayer is  
20 primarily engaged. One business may be subject to two or more  
21 tax rates under this chapter and chapter 237. If a business is  
22 within the purview of two or more of the paragraphs of section

1 237-13 or other provisions of this chapter or chapter 237, all  
2 of them apply, each provision being applicable to the  
3 appropriate item of gross income, gross proceeds of sales, or  
4 value of products. However, any person engaging or continuing  
5 in a business having gross income, gross proceeds of sales, and  
6 value of products, or any of these as the case may be, taxable  
7 at different rates, shall be subject to taxation upon the  
8 aggregate amount of the gross income, gross proceeds of sales,  
9 and value of products of the business at the highest rate  
10 applicable to any part of the aggregate, unless the person shall  
11 segregate the parts taxable at different rates upon the person's  
12 records and in the person's returns, and shall sustain the  
13 burden of proving that the segregation was correctly made.

14 **SA-10 Assessment on generated electricity.** Any other  
15 provision of law to the contrary notwithstanding, the levy and  
16 assessment of tax on the gross proceeds from the sale of  
17 electric power to a public utility company for resale to the  
18 public, shall be made only as a tax on business of a producer,  
19 at the rate assessed producers under section A-6(a)(2).

20 **SA-11 Technicians.** When technicians supply dentists or  
21 physicians with dentures, orthodontic devices, braces, and  
22 similar items which have been prepared by the technician in

1 accordance with specifications furnished by the dentist or  
2 physician, and these items are to be used by the dentist or  
3 physician in the dentist's or physician's professional practice  
4 for a particular patient who is to pay the dentist or physician  
5 for the same as a part of the dentist's or physician's  
6 professional services, the technician shall be taxed as though  
7 the technician were a manufacturer selling a product to a  
8 licensed retailer, rather than pursuant to chapter 237, at the  
9 rate of four per cent that is generally applied to professions  
10 and services.

11 **§A-12 Activity ordered by others.** (a) Where, through the  
12 activity of a person taxable under section 237-13(4), a product  
13 has been milled, processed, or otherwise manufactured upon the  
14 order of another taxpayer who is a manufacturer taxable upon the  
15 value of the entire manufactured products, which consists in  
16 part of the value of the services taxable under section  
17 237-13(4), so much gross income as is derived from the rendering  
18 of the services shall be subjected to tax on the person  
19 rendering the services at the rate of one-half of one per cent,  
20 and the value of the entire product shall be included in the  
21 measure of the tax imposed on the other taxpayer as elsewhere  
22 provided.

1 (b) Where, through the activity of a person taxable under  
2 section 237-13(4), there have been rendered to a cane planter  
3 services consisting in the harvesting or hauling of the cane, or  
4 consisting in road maintenance, under a contract between the  
5 person rendering the services and the cane planter, covering the  
6 services and also the milling of the sugar, the services of  
7 harvesting and hauling the cane and road maintenance shall be  
8 treated the same as the service of milling the cane, as provided  
9 by subsection (a), and the value of the entire product,  
10 manufactured or sold for the cane planter under the contract,  
11 shall be included in the measure of the tax imposed on the  
12 persons as elsewhere provided.

13 **§A-13 Sales of telecommunications services through prepaid**  
14 **telephone calling service.** (a) For the purposes of this  
15 section, "prepaid telephone calling service" means the right to  
16 exclusively purchase telecommunications services, paid for in  
17 advance, that enables the origination of calls using an access  
18 number or authorization code, whether manually or electronically  
19 dialed.

20 (b) If the sale or recharge of a prepaid telephone calling  
21 service does not take place at the vendor's place of business,  
22 it shall be conclusively determined to take place at the

1 customer's shipping address; or if there is no item shipped,  
2 then it shall be the customer's billing address.

3 (c) When a person licensed under this chapter sells  
4 prepaid telephone calling services to a licensed retail  
5 merchant, jobber, or other licensed seller for purposes of  
6 resale, the person shall be taxed as a wholesaler selling  
7 tangible personal property.

8 (d) For purposes of prepaid telephone calling services  
9 only, all such services shall be taxed under this section and  
10 shall be in lieu of taxation under chapter 239.

11 **§A-14 Apportionment.** In the case of a tax upon the  
12 production of property in the State, the apportionment shall be  
13 determined as in the case of the tax on manufacturers provided  
14 in section A-6(a)(1).

15 **§A-15 Conformity to constitution.** Section 237-22 shall  
16 apply to this chapter.

17 **§A-16 Exemptions.** The exemptions provided in sections  
18 237-23, 237-26, 237-27, 237-27.5, 237-29, 237-29.5, and  
19 237-29.53 shall apply to this chapter.

20 **§A-17 Amounts not taxable.** This chapter shall not apply  
21 to the following amounts:

- 1           (1) The amounts of taxes on cigarettes and tobacco
- 2           products imposed by chapter 245 on wholesalers or
- 3           dealers holding licenses under that chapter and
- 4           selling the products at wholesale;
- 5           (2) The amounts of federal taxes imposed on sugar
- 6           manufactured in the State, paid by the manufacturer to
- 7           the federal government;
- 8           (3) Gross income received by any blind, deaf, or totally
- 9           disabled person engaging, or continuing, in any
- 10          business, trade, activity, occupation, or calling
- 11          within the State; a corporation all of whose
- 12          outstanding shares are owned by an individual or
- 13          individuals who are blind, deaf, or totally disabled;
- 14          a general, limited, or limited liability partnership,
- 15          all of whose partners are blind, deaf, or totally
- 16          disabled; or a limited liability company, all of whose
- 17          members are blind, deaf, or totally disabled; and
- 18          (4) Amounts received by a producer of sugarcane from the
- 19          manufacturer to whom the producer sells the sugarcane,
- 20          where:
- 21            (A) The producer is an independent cane farmer, so
- 22            classed by the Secretary of Agriculture under the

1                    Sugar Act of 1948 (61 Stat. 922, Chapter 519) as  
2                    the Act may be amended or supplemented;

3                    (B) The value or gross proceeds of sale of the sugar,  
4                    and other products manufactured from the  
5                    sugarcane, is included in the measure of the tax  
6                    levied on the manufacturer under section  
7                    A-6(a)(1);

8                    (C) The producer's gross proceeds of sales are  
9                    dependent upon the actual value of the products  
10                    manufactured therefrom or the average value of  
11                    all similar products manufactured by the  
12                    manufacturer; and

13                    (D) The producer's gross proceeds of sales are  
14                    reduced by reason of the tax on the value or sale  
15                    of the manufactured products.

16                    **SA-18 Exemption for sale of tangible personal property for**  
17 **resale at wholesale.** (a) There shall be exempted from, and  
18 excluded from the measure of, the taxes imposed by this chapter  
19 all of the gross proceeds or gross income arising from the sale  
20 of tangible personal property imported to Hawaii from a foreign  
21 or domestic source to a licensed taxpayer for subsequent resale

1 for the purpose of sale at wholesale as defined under section  
2 A-2.

3 (b) The department of taxation, by rule, may provide that  
4 a seller may take from the purchaser of imported tangible  
5 personal property, a certificate in a form that the department  
6 shall prescribe, certifying that the purchaser of the imported  
7 tangible personal property shall resell the imported tangible  
8 personal property at wholesale as defined under section A-2.  
9 Any purchaser who furnishes a certificate shall be obligated to  
10 pay to the seller, upon demand, if the sale in fact is not a  
11 sale for the purpose of resale at wholesale, the amount of the  
12 additional tax that is imposed upon the seller. The absence of  
13 a certificate, unless the sales of the business are exclusively  
14 a sale for the purpose of resale at wholesale, in itself, shall  
15 give rise to the presumption that the sale is not a sale for the  
16 purpose of resale at wholesale.

17 **§A-19 Administrative provisions.** Sections 237-20, 237-21,  
18 237-30, 237-31, 237-32, 237-33, 237-33.5, 237-34, 237-35,  
19 237-36, 237-37, 237-38, 237-39, 237-40, 237-41, 237-42, 237-43,  
20 237-46, 237-47, 237-49, and 237-A to 237-F shall apply to this  
21 chapter."

1 SECTION 3. The Hawaii Revised Statutes is amended by  
2 adding a new chapter to be appropriately designated and to read  
3 as follows:

4 "CHAPTER

5 TAX ON IMPORT OF GOODS, SERVICES, AND CONTRACTING FOR RESALE

6 §B-1 Definitions. Definitions contained in section 238-1  
7 shall apply to this chapter.

8 §B-2 Imposition of tax on tangible personal property;  
9 exemptions. There is hereby levied an excise tax on the use in  
10 this State of tangible personal property which is imported by a  
11 taxpayer in this State whether owned, purchased from an  
12 unlicensed seller, or however acquired for use in this State.  
13 The tax imposed by this chapter shall accrue when the property  
14 is acquired by the importer or purchaser and becomes subject to  
15 the taxing jurisdiction of the State. The rate of the tax  
16 hereby imposed and the exemptions thereof are as follows:

17 (1) If the importer or purchaser is licensed under chapter  
18 A and is:

19 (A) A wholesaler or jobber importing or purchasing  
20 for purposes of sale or resale; or

21 (B) A manufacturer importing or purchasing material  
22 or commodities that are to be incorporated by the

1 manufacturer into a finished or saleable product  
2 (including the container or package in which the  
3 product is contained) wherein it will remain in a  
4 form as to be perceptible to the senses, and the  
5 finished or saleable product is to be sold in a  
6 manner as to result in a further tax on the  
7 activity of the manufacturer as the manufacturer  
8 or as a wholesaler, and not as a retailer;  
9 there shall be no tax; provided that if the  
10 wholesaler, jobber, or manufacturer is also engaged in  
11 business as a retailer (so classed under chapter 237),  
12 paragraph (2) shall apply to the wholesaler, jobber,  
13 or manufacturer, but the director of taxation shall  
14 refund to the wholesaler, jobber, or manufacturer, in  
15 the manner provided under section 231-23(c) the amount  
16 of tax as the wholesaler, jobber, or manufacturer  
17 shall establish, to the satisfaction of the director,  
18 to have been paid by the wholesaler, jobber, or  
19 manufacturer to the director with respect to property  
20 that has been used by the wholesaler, jobber, or  
21 manufacturer for the purposes stated in this  
22 paragraph; and

- 1 (2) If the importer or purchaser is licensed under chapter  
2 237 and is:
- 3 (A) A retailer or other person importing or  
4 purchasing for purposes of sale or resale, not  
5 exempted by paragraph (1);
- 6 (B) A manufacturer importing or purchasing material  
7 or commodities that are to be incorporated by the  
8 manufacturer into a finished or saleable product  
9 (including the container or package in which the  
10 product is contained) wherein it will remain in a  
11 form as to be perceptible to the senses, and the  
12 finished or saleable product is to be sold at  
13 retail in this State, in a manner as to result in  
14 a further tax on the activity of the manufacturer  
15 in selling the products at retail;
- 16 (C) A contractor importing or purchasing material or  
17 commodities that are to be incorporated by the  
18 contractor into the finished work or project  
19 required by the contract and that will remain in  
20 the finished work or project in a form as to be  
21 perceptible to the senses;

1 (D) A person engaged in a service business or calling  
2 as defined in section 237-7, or a person  
3 furnishing transient accommodations subject to  
4 the tax imposed by section 237D-2, in which the  
5 import or purchase of tangible personal property  
6 would have qualified as a sale at wholesale as  
7 defined in section A-2(a)(8) had the seller of  
8 the property been subject to the tax in chapter  
9 237; or

10 (E) A publisher of magazines or similar printed  
11 materials containing advertisements, when the  
12 publisher is under contract with the advertisers  
13 to distribute a minimum number of magazines or  
14 similar printed materials to the public or  
15 defined segment of the public, whether or not  
16 there is a charge to the persons who actually  
17 receive the magazines or similar printed  
18 materials,

19 the tax shall be one-half of one per cent of the  
20 purchase price of the property, if the purchase and  
21 sale are consummated in Hawaii; or, if there is no  
22 purchase price applicable thereto, or if the purchase

1 or sale is consummated outside of Hawaii, then  
2 one-half of one per cent of the value of the property.

3 **§B-3 Imposition of tax on imported services or**

4 **contracting; exemptions.** There is hereby levied an excise tax  
5 on the value of services or contracting as defined in section  
6 237-6 that are performed by an unlicensed seller at a point  
7 outside the State and imported or purchased for use in this  
8 State. The tax imposed by this chapter shall accrue when the  
9 service or contracting as defined in section 237-6 is received  
10 by the importer or purchaser and becomes subject to the taxing  
11 jurisdiction of the State. The rate of the tax hereby imposed  
12 and the exemptions from the tax are as follows:

13 (1) If the importer or purchaser is licensed under chapter  
14 A and is:

15 (A) Engaged in a service business or calling in which  
16 the imported or purchased services or contracting  
17 become identifiable elements, excluding overhead,  
18 of the services rendered by the importer or  
19 purchaser, and the gross income of the importer  
20 or purchaser is subject to the tax imposed under  
21 chapter A on services at the rate of one-half of  
22 one per cent; or

1 (B) A manufacturer importing or purchasing services  
2 or contracting that become identifiable elements,  
3 excluding overhead, of a finished or saleable  
4 product (including the container or package in  
5 which the product is contained) and the finished  
6 or saleable product is to be sold in a manner  
7 that results in a further tax under chapter A on  
8 the manufacturer as a wholesaler, and not a  
9 retailer;

10 there shall be no tax imposed on the value of the  
11 imported or purchased services or contracting;  
12 provided that if the manufacturer is also engaged in  
13 business as a retailer as classified under chapter  
14 237, paragraph (2) of this section shall apply to the  
15 manufacturer, but the director of taxation shall  
16 refund to the manufacturer, in the manner provided  
17 under section 231-23(c), that amount of tax that the  
18 manufacturer, to the satisfaction of the director,  
19 shall establish to have been paid by the manufacturer  
20 to the director with respect to services that have  
21 been used by the manufacturer for the purposes stated  
22 in this paragraph; and

- 1           (2) If the importer or purchaser is a person licensed  
2           under chapter 237 and is:
- 3           (A) Engaged in a service business or calling in which  
4           the imported or purchased services or contracting  
5           become identifiable elements, excluding overhead,  
6           of the services rendered by the importer or  
7           purchaser, and the gross income from those  
8           services when sold by the importer or purchaser  
9           is subject to the tax imposed under chapter 237;
- 10          (B) A manufacturer importing or purchasing services  
11          or contracting that become identifiable elements,  
12          excluding overhead, of the finished or saleable  
13          manufactured product (including the container or  
14          package in which the product is contained) and  
15          the finished or saleable product is to be sold in  
16          a manner that results in a further tax under  
17          chapter 237 on the activity of the manufacturer  
18          as a retailer; or
- 19          (C) A contractor importing or purchasing services or  
20          contracting that become identifiable elements,  
21          excluding overhead, of the finished work or  
22          project required under the contract, and where

1           the gross proceeds derived by the contractor are  
2           subject to the tax under section 237-13(2) as a  
3           contractor;

4           the tax shall be one-half of one per cent of the value  
5           of the imported or purchased services or contracting.

6           **§B-4 Application of tax, etc.** Section 238-3 shall apply  
7 to this chapter.

8           **§B-5 Certain property used by producers.** If a licensed  
9 producer, or a cooperative association acting under the  
10 authority of chapter 421, in order to sell to the producer, or a  
11 licensed person, imports into the State or acquires in the State  
12 commodities, materials, items, services, or living things  
13 enumerated in section A-2(a)(3) and (a)(5) to (a)(7), then  
14 section A-2 shall apply. If section A-2 applies and the  
15 producer is engaged in the sale of the producer's products at  
16 retail or in any manner other than at wholesale, then the tax  
17 upon use of property in the State imposed by section 238-2 shall  
18 apply the same as in the case of a purchaser who is a licensed  
19 retailer. In other cases no tax shall be imposed under this  
20 chapter.

1       **§B-6 Administration.** Sections 238-5, 238-6, 238-7, 238-8,  
2 238-9, 238-9.5, 238-10, 238-11, 238-13, 238-14, and 238-16 shall  
3 apply to this chapter."

4       SECTION 4. The Hawaii Revised Statutes is amended by  
5 adding a new chapter to be appropriately designated and to read  
6 as follows:

7                               "CHAPTER

8                               **INSURANCE PRODUCER'S TAX**

9       **§C-1 Definitions.** The definitions contained in sections  
10 237-1, 237-2, and 237-3 shall apply to this chapter.

11       **§C-2 Tax on insurance producers.** Upon every person  
12 engaged as a licensed producer pursuant to chapter 431, there is  
13 hereby levied and shall be assessed and collected a tax equal to  
14 0.15 per cent of the commissions due to that activity.

15       **§C-3 Apportionment.** Where insurance producers, who are  
16 not employees and are licensed pursuant to chapter 431, produce  
17 commissions that are divided between the insurance producers,  
18 the tax levied under section C-2 as to insurance producers shall  
19 apply to each producer with respect to the producer's portion of  
20 the commissions, and no more.

21       **§C-4 Administrative provisions.** Sections 237-8, 237-9,  
22 237-9.5, 237-11, 237-12, 237-30, 237-31, 237-32, 237-33,

1 237-33.5, 237-34, 237-35, 237-36, 237-37, 237-38, 237-39,

8 use tax agreement. The counties shall not adopt any ordinance  
9 or interpret any ordinance in a manner that violates the  
10 streamlined sales and use tax agreement established by the  
11 Streamlined Sales Tax Governing Board, Incorporated, and adopted  
12 pursuant to chapter 255D."

13 SECTION 6. Chapter 237, Hawaii Revised Statutes, is  
14 amended by adding six new sections to be appropriately  
15 designated and to read as follows:

16 "§237-A General sourcing rules.

17 (1) The retail sale, excluding lease or rental, of a  
18 product shall be sourced as follows:

20 a business location of the seller, the sale is  
21 sourced to that business location;

1           (B) When the product is not received by the purchaser  
2           at a business location of the seller, the sale is  
3           sourced to the location where receipt by the

5           occurs, including the location indicated by  
6           instructions for delivery to the purchaser (or  
7           designated donee), known to the seller;

8           (C) When subparagraphs (A) and (B) do not apply, the  
9           sale is sourced to the location indicated by an  
10           address for the purchaser that is available from  
11           the business records of the seller that are  
12           maintained in the ordinary course of the seller's  
13           business when use of this address does not  
14           constitute bad faith;

15           (D) When subparagraphs (A), (B), and (C) do not  
16           apply, the sale is sourced to the location  
17           indicated by an address for the purchaser  
18           obtained during the consummation of the sale,  
19           including the address of a purchaser's payment  
20           instrument, if no other address is available,  
21           when use of this address does not constitute bad  
22           faith; or

1           (E) When none of the previous rules of subparagraph  
2           (A), (B), (C), or (D) apply, including the  
3           circumstance in which the seller is without  
4           sufficient information to apply the previous  
5           rules, then the location shall be determined by  
6           the address from which tangible personal property  
7           was shipped, from which the digital good or the  
8           computer software delivered electronically was  
9           first available for transmission by the seller,  
10           or from which the service was provided  
11           (disregarding for these purposes any location  
12           that merely provided the digital transfer of the  
13           product sold);

14           (2) The lease or rental of tangible personal property,  
15           other than property identified in paragraph (3) or  
16           (4), shall be sourced as follows:

17           (A) For a lease or rental that requires recurring  
18           periodic payments, the first periodic payment is  
19           sourced the same as a retail sale in accordance  
20           with paragraph (1). Periodic payments made  
21           subsequent to the first payment are sourced to  
22           the primary property location for each period

1           covered by the payment. The primary property  
 2           location shall be as indicated by an address for  
 3           the property provided by the lessee that is  
 4           available to the lessor from its records  
 5           maintained in the ordinary course of business,  
 6           when use of this address does not constitute bad  
 7           faith. The property location shall not be  
 8           altered by intermittent use at different  
 9           locations, such as use of business property that  
 10          accompanies employees on business trips and  
 11          service calls; or

12          (B) For a lease or rental that does not require  
 13          recurring periodic payments, the payment is  
 14          sourced the same as a retail sale in accordance  
 15          with paragraph (1).

16          This paragraph does not affect the imposition or  
 17          computation of general excise or use tax on leases or  
 18          rentals based on a lump sum or accelerated basis, or  
 19          on the acquisition of property for lease;

20          (3) The lease or rental of motor vehicles, trailers,  
 21          semi-trailers, or aircraft that do not qualify as

1           transportation equipment, as defined in paragraph (4),  
2           shall be sourced as follows:

3           (A) For a lease or rental that requires recurring  
4           periodic payments, each periodic payment is  
5           sourced to the primary property location. The  
6           primary property location shall be as indicated  
7           by an address for the property provided by the  
8           lessee that is available to the lessor from its  
9           records maintained in the ordinary course of  
10           business, when use of this address does not  
11           constitute bad faith. This location shall not be  
12           altered by intermittent use at different  
13           locations; or

14           (B) For a lease or rental that does not require  
15           recurring periodic payments, the payment is  
16           sourced the same as a retail sale in accordance  
17           with paragraph (1).

18           This paragraph does not affect the imposition or  
19           computation of general excise or use tax on leases or  
20           rentals based on a lump sum or accelerated basis, or  
21           on the acquisition of property for lease; and

1        (4) The retail sale, including lease or rental, of  
2        transportation equipment shall be sourced the same as  
3        a retail sale in accordance with paragraph (1),  
4        notwithstanding the exclusion of lease or rental in  
5        paragraph (1). "Transportation equipment" means any  
6        of the following:

7        (A) Locomotives and rail cars that are utilized for  
8        the carriage of persons or property in interstate  
9        commerce;

10       (B) Trucks and truck-tractors with a gross vehicle  
11       weight rating of 10,001 pounds or greater,  
12       trailers, semi-trailers, or passenger buses that  
13       are:

14       (i) Registered through the international  
15       registration plan; and

16       (ii) Operated under authority of a carrier  
17       authorized and certificated by the United  
18       States Department of Transportation or  
19       another federal authority to engage in the  
20       carriage of persons or property in  
21       interstate commerce;

1           (C) Aircraft that are operated by air carriers  
2           authorized and certificated by the United States  
3           Department of Transportation or another federal

5           of persons or property in interstate or foreign  
6           commerce; and

7           (D) Containers designed for use on and component  
8           parts attached or secured on the items set forth  
9           in subparagraphs (A) to (C).

10           §237-B General sourcing definitions. For the purposes of  
11 section 237-A(1), the terms "receive" and "receipt" mean:

- 12           (1) Taking possession of tangible personal property;
- 13           (2) Making first use of services; or
- 14           (3) Taking possession or making first use of digital  
15           goods,

16 whichever comes first.

17           The terms "receive" and "receipt" do not include possession  
18 by a shipping company on behalf of the purchaser.

19           §237-C Telecommunications sourcing rule. (a) Except for  
20 the defined telecommunications services in subsection (c), the  
21 sale of telecommunications service sold on a call-by-call basis  
22 shall be sourced to:

1       (1) Each level of taxing jurisdiction where the call  
2       originates and terminates in that jurisdiction; or

3       (2) Each level of taxing jurisdiction where the call  
4       either originates or terminates and in which the  
5       service address is also located.

6       (b) Except for the defined telecommunications services in  
7       subsection (c), a sale of telecommunications service sold on a

11       shall be sourced to each level of taxing jurisdiction as  
12       follows:

16       primary use as required by the Mobile  
17       Telecommunications Sourcing Act;

18       (2) A sale of post-paid calling service is sourced to the

20       first identified by either:

21       (A) The seller's telecommunications system; or

1           (B) Information received by the seller from its  
2           service provider, where the system used to  
3           transport such signals is not that of the seller;

4       (3) A sale of prepaid calling service or a sale of a  
5       prepaid wireless calling service is sourced in  
6       accordance with section 237-A; provided that in the  
7       case of a sale of prepaid wireless calling service,  
8       the rule provided in section 237-A(1)(E) shall include  
9       as an option the location associated with the mobile  
10       telephone number; or

11       (4) A sale of a private communication service is sourced  
12       as follows:

13       (A) Service for a separate charge related to a  
14       customer channel termination point is sourced to  
15       each level of jurisdiction in which the customer  
16       channel termination point is located;

17       (B) Service where all customer termination points are  
18       located entirely within one jurisdiction or

1           (C) Service for segments of a channel between two  
2           customer channel termination points located in  
3           different jurisdictions and which segment of  
4           channel are separately charged is sourced fifty  
5           per cent in each level of jurisdiction in which  
6           the customer channel termination points are  
7           located.

8           Service for segments of a channel located in more than  
9           one jurisdiction or levels of jurisdiction and where  
10          the segments are not separately billed shall be  
11          sourced in each jurisdiction based on the percentage  
12          determined by dividing the number of customer channel  
13          termination points in the jurisdiction by the total  
14          number of customer channel termination points in all  
15          jurisdictions.

16          §237-D Telecommunications sourcing definitions. For the  
17          purpose of section 237-C, the following definitions shall apply:

18          "Air-to-ground radiotelephone service" means a radio  
19          service, as that term is defined in 47 C.F.R. 22.99, in which  
20          common carriers are authorized to offer and provide radio  
21          telecommunications service for hire to subscribers in aircraft.

1       "Call-by-call basis" means any method of charging for  
2 telecommunications services where the price is measured by  
3 individual calls.

4       "Communications channel" means a physical or virtual path  
5 of communications over which signals are transmitted between or  
6 among customer channel termination points.

7       "Customer":

8       (1) Means the person or entity that contracts with the  
9 seller of telecommunications services. If the end  
10 user of telecommunications services is not the  
11 contracting party, the end user of the  
12 telecommunications service is the customer of the  
13 telecommunications service, but this sentence only  
14 applies for the purpose of sourcing sales of  
15 telecommunications services under section 237-C; and  
16 (2) Does not include a reseller of telecommunications  
17 service or for mobile telecommunications service of a  
18 serving carrier under an agreement to serve the  
19 customer outside the home service provider's licensed  
20 service area.

21       "Customer channel termination point" means the location  
22 where the customer either inputs or receives the communications.

1       "End user" means the person who utilizes the  
2 telecommunications service. In the case of an entity, "end  
3 user" means the individual who utilizes the service on behalf of  
4 the entity.

5       "Home service provider" has the same meaning as that term  
6 is defined in section 124(5) of Public Law 106-252 (Mobile  
7 Telecommunications Sourcing Act).

8       "Mobile telecommunications service" has the same meaning as  
9 that term is defined in section 124(7) of Public Law 106-252  
10 (Mobile Telecommunications Sourcing Act).

11       "Place of primary use" means the street address  
12 representative of where the customer's use of the  
13 telecommunications service primarily occurs, which shall be the  
14 residential street address or the primary business street  
15 address of the customer. In the case of mobile  
16 telecommunications services, "place of primary use" shall be  
17 within the licensed service area of the home service provider.

18       "Post-paid calling service" means the telecommunications  
19 service obtained by making a payment on a call-by-call basis  
20 either through the use of a credit card or payment mechanism  
21 such as a bank card, travel card, or debit card, or by charge  
22 made to a telephone number that is not associated with the

1 origination or termination of the telecommunications service. A  
2 post-paid calling service includes a telecommunications service,  
3 except a prepaid wireless calling service, that would be a  
4 prepaid calling service except it is not exclusively a  
5 telecommunications service.

6 "Prepaid calling service" means the right to access  
7 exclusively telecommunications services that must be paid in  
8 advance and that enables the origination of calls using an  
9 access number or authorization code, whether manually or  
10 electronically dialed, and is sold in predetermined units or  
11 dollars of which the number declines with use in a known amount.

12 "Prepaid wireless calling service" means a  
13 telecommunications service that provides the right to utilize  
14 mobile wireless service as well as other non-telecommunications  
15 services, including the download of digital products delivered  
16 electronically, content and ancillary services, which must be  
17 paid for in advance and is sold in predetermined units or  
18 dollars of which the number declines with use in a known amount.

19 "Private communication service" means a telecommunications  
20 service that entitles the customer to exclusive or priority use  
21 of a communications channel or group of channels between or  
22 among termination points, regardless of the manner in which the

1 channel or channels are connected, and includes switching  
2 capacity, extension lines, stations, and any other associated  
3 services that are provided in connection with the use of the  
4 channel or channels.

5 "Service address" means:

6 (1) The location of the telecommunications equipment to  
7 which a customer's call is charged and from which the  
8 call originates or terminates, regardless of where the  
9 call is billed or paid;

10 (2) If the location in paragraph (1) is not known, service  
11 address means the origination point of the signal of  
12 the telecommunications service first identified by  
13 either the seller's telecommunications system or in  
14 information received by the seller from its service  
15 provider, where the system used to transport the  
16 signals is not that of the seller; or

17 (3) If the location in paragraphs (1) and (2) are not  
18 known, service address means the location of the  
19 customer's place of primary use.

20 **§237-E Deduction for bad debts.** (a) A seller shall be  
21 allowed a deduction from taxable sales for bad debts. A seller  
22 may deduct the amount of bad debts from the seller's gross

1 sales, rentals, or services used for the computation of the tax.  
2 The amount of gross sales, rentals, or services deducted shall  
3 be charged off as uncollectible on the books and records of the  
4 seller at the time the debt becomes worthless and deducted on  
5 the return for the period during which the bad debt is written  
6 off as uncollectible in the claimant's books and records and  
7 shall be eligible to be deducted for income tax purposes.

8 For the purposes of this section, a claimant who is not  
9 required to file a federal income tax return may deduct a bad  
10 debt on a return filed for the period in which the bad debt  
11 becomes worthless and is written off as uncollectible in the  
12 claimant's books and records and would be eligible for a bad  
13 debt deduction for federal income tax purposes if the claimant  
14 was required to file a federal income tax return.

15 If a consumer or other person pays all or part of a bad  
16 debt with respect to which a seller claimed a deduction under  
17 this section, the seller is liable for the amount of taxes  
18 deducted in connection with that portion of the debt for which  
19 payment is received and shall remit these taxes in the seller's  
20 next payment to the department. Any payments made on a bad debt  
21 shall be applied proportionally first to the taxable price of

1 the property and the tax on the property and second to any  
2 interest, service, or other charge.

3 (b) Any claim for a bad debt deduction under this section  
4 shall be supported by evidence required by the department. The  
5 department shall review any change in the rate of taxation  
6 applicable to any taxable sales, rentals, or services by a  
7 seller claiming a deduction pursuant to this section and shall  
8 ensure that the deduction on any bad debt does not result in the  
9 seller claiming the deduction recovering any more or less than  
10 the taxes imposed on the sale, rental, or service that  
11 constitutes the bad debt.

12 (c) If a certified service provider assumed filing  
13 responsibility under chapter 255D, the certified service  
14 provider may claim, on behalf of the seller, any bad debt  
15 allowable to the seller and shall credit or refund that amount  
16 of bad debt allowed or refunded to the seller.

17 (d) If the books and records of a seller who, under  
18 chapter 255D claims a bad debt allowance, support an allocation  
19 of the bad debts among member states of that agreement, the  
20 seller may allocate the bad debt.

21 (e) As used in this section, "bad debt" means any portion  
22 of a debt resulting from a seller's collection of the use tax

1 under chapter 255D on the purchase of tangible personal property  
2 or services that is not otherwise deductible or excludable and  
3 is eligible to be claimed, or could be eligible to be claimed if  
4 the seller kept accounts on an accrual basis, as a deduction  
5 pursuant to section 166 (with respect to bad debts) of the  
6 Internal Revenue Code of 1986, as amended. A bad debt does not  
7 include any of the following:

- 8       (1) Interest, finance charge, or use tax on the purchase  
9           price;
- 10       (2) Uncollectible amounts on property that remains in the  
11           possession of the seller until the full purchase price  
12           is paid;
- 13       (3) Expenses incurred in attempting to collect any account  
14           receivable or any portion of the debt recovered;
- 15       (4) Any accounts receivable that have been sold to and  
16           remain in the possession of a third party for  
17           collection; or
- 18       (5) Repossessed property.

19       **§237-F Direct mail sourcing.** (a) Notwithstanding the  
20 general sourcing provisions of section 237-A, a purchaser of  
21 direct mail who is not a holder of a direct pay permit shall  
22 provide to the seller, in conjunction with the purchase, either

1 a direct mail form or information to show the jurisdictions to  
2 which the direct mail is delivered to recipients.

3 Upon receipt of the direct mail form, the seller shall be  
4 relieved of all obligations to collect, pay, or remit the  
5 applicable tax and the purchaser shall be obligated to pay or  
6 remit the applicable tax on a direct pay basis. A direct mail  
7 form shall remain in effect for all future sales of direct mail  
8 by the seller to the purchaser until it is revoked in writing.

9 Upon receipt of information from the purchaser showing the  
10 jurisdictions to which the direct mail is delivered to  
11 recipients, the seller shall collect the tax according to the  
12 delivery information provided by the purchaser. In the absence  
13 of bad faith, the seller shall be relieved of any further  
14 obligation to collect tax on any transaction for which the  
15 seller has collected tax pursuant to the delivery information  
16 provided by the purchaser.

17 (b) If the purchaser of direct mail does not have a direct  
18 pay permit and does not provide the seller with either a direct  
19 mail form or delivery information as required under subsection  
20 (a), the seller shall collect the tax. Nothing in this  
21 subsection shall limit a purchaser's obligation for sales or use  
22 tax to any state to which the direct mail is delivered.

1        (c) If a purchaser of direct mail provides the seller with  
2 documentation of direct pay authority, the purchaser shall not  
3 be required to provide a direct mail form or delivery  
4 information to the seller.

5        Receipts from sales of direct mail for distribution to  
6 out-of-state recipients and receipts from sales of direct-mail  
7 processing services in connection with distribution of direct  
8 mail to out-of-state recipients shall be exempt from taxation  
9 under this chapter. The exemption provided by this section  
10 shall apply to receipts from charges for the printing or  
11 production of direct mail, whether prepared in or shipped into  
12 Hawaii, after preparation, and stored for subsequent shipment to  
13 out-of-state customers. The direct mail processing services  
14 exemption provided under this section shall apply to receipts  
15 from charges for all direct mail processing services for  
16 distribution to out-of-state recipients, including but not  
17 limited to preparing and maintaining mailing lists, addressing,  
18 separating, folding, inserting, sorting, and packaging direct  
19 mail materials, and transporting the direct mail to the point of  
20 shipment by the mail service or other carrier."

1 SECTION 7. Section 237-1, Hawaii Revised Statutes, is  
2 amended by adding six new definitions to be appropriately  
3 inserted and to read as follows:

4 "Delivery charges" means charges by the seller for  
5 preparation and delivery to a location designated by the  
6 purchaser of personal property or services, including but not  
7 limited to transportation, shipping, postage, handling, crating,  
8 and packing. If a shipment includes both exempt and taxable  
9 property, the seller shall allocate the delivery charge by  
10 using:

11 (1) A percentage based on the total sales price of the  
12 taxable property compared to the total sales price of  
13 all property in the shipment; or

14 (2) A percentage based on the total weight of the taxable  
15 property compared to the total weight of all property  
16 in the shipment.

17 "Direct mail":

18 (1) Means printed material delivered or distributed by  
19 United States mail or other delivery service to a mass  
20 audience or to addresses on a mailing list provided by  
21 the purchaser, or at the direction of the purchaser,

1           in cases in which the cost of the items are not billed  
2           directly to the recipients;

3           (2) Includes tangible personal property supplied directly  
4           or indirectly by the purchaser to the direct mail  
5           seller for inclusion in the package containing the  
6           printed material; and

7           (3) Does not include multiple items of printed material.  
8           "Lease or rental":

9           (1) Means any transfer of possession or control of  
10           tangible personal property for a fixed or  
11           indeterminate term for consideration;

12           (2) May include future options to purchase or extend; and

13           (3) Does not include:

14           (A) A transfer of possession or control of property  
15           under a security agreement or deferred payment  
16           plan that requires the transfer of title upon  
17           completion of the required payments;

18           (B) A transfer of possession or control of property  
19           under an agreement that requires the transfer of  
20           title upon completion of required payments and  
21           payment of an option price that does not exceed

1           the greater of \$100 or one per cent of the total  
2           required payments;

3           (C) Providing tangible personal property along with  
4           an operator for a fixed or indeterminate period  
5           of time. A condition of this exclusion is that  
6           the operator is necessary for the equipment to  
7           perform as designed. For the purpose of this  
8           subparagraph, an operator shall do more than  
9           maintain, inspect, or set-up the tangible  
10           personal property; or

11           (D) Agreements covering motor vehicles and trailers  
12           where the amount of consideration may be  
13           increased or decreased by reference to the amount  
14           realized upon sale or disposition of the property  
15           as defined in section 7701(h)(1) (with respect to  
16           motor vehicle operating leases) of the Internal  
17           Revenue Code of 1986.

18           For the purposes of this chapter, the definition of "lease  
19           or rental" shall be used regardless of whether a transaction is  
20           characterized as a lease or rental under generally accepted  
21           accounting principles, the federal Internal Revenue Code, or  
22           other provisions of federal, state, or local law.

1       "Purchase price" applies to the measure subject to use tax  
2       and has the same meaning as sales price.

3       "Sales price" applies to the measure subject to tax and  
4       means the total amount of consideration, including cash, credit,  
5       property, and services for which personal property or services  
6       are sold, leased, or rented, valued in money, whether money is  
7       received or otherwise, without any deduction for the following:

8       (1) The seller's cost of the property sold;

9       (2) The cost of the materials used, labor or service cost,  
10       losses, all costs of transportation to the seller, all  
11       taxes imposed on the seller, and any other expense of  
12       the seller;

13       (3) Charges by the seller for any services necessary to  
14       complete the sale, other than delivery and  
15       installation charges;

16       (4) Delivery and installation charges; or

17       (5) Installation charges.

18       "Tangible personal property" means personal property that  
19       can be seen, weighed, measured, felt, or touched, or that is in  
20       any manner perceptible to the senses. Tangible personal  
21       property includes gas, steam, and prewritten computer software."

1 SECTION 8. Chapter 255D, Hawaii Revised Statutes, is  
2 amended by adding nine new sections to be appropriately  
3 designated and to read as follows:

4 "§255D-A Relief from certain liability. All sellers and  
5 certified service providers as defined in section 255D-2 using  
6 databases pursuant to section 255D-D(f) and (g) shall be  
7 relieved from liability to the state and local jurisdictions for  
8 having charged and collected the incorrect amount of general  
9 excise or use tax resulting from the seller or certified service  
10 provider relying on erroneous data provided by the State on tax  
11 rates, boundaries, or taxing jurisdiction assignments.

12 §255D-B Rounding rule. For the purpose of calculating the  
13 amount of the general excise or use tax:

14 (1) The tax computation shall be carried to the third  
15 decimal place; and

16 (2) The tax shall be rounded to a whole cent using a  
17 method that rounds up to the next cent whenever the  
18 third decimal place is greater than four.

19 Sellers may elect to compute the tax due on a transaction  
20 on an item or an invoice basis, and shall allow the rounding  
21 rule to be applied to the aggregated state and local taxes.

1           §255D-C   Amnesty for registration under this chapter.   (a)

2   The department shall provide amnesty for uncollected or unpaid  
3   general excise tax under chapter 237 or use tax under chapter  
4   238, including any county surcharge, to a seller who registers  
5   to pay or to collect and remit applicable general excise or use  
6   tax on sales made to purchasers in the State in accordance with  
7   the terms of the streamlined sales and use tax agreement;  
8   provided that the seller was not so registered in the State in  
9   the twelve-month period preceding the effective date of the  
10   State's participation in the streamlined sales and use tax  
11   agreement.

12           (b) The amnesty shall preclude assessment for uncollected  
13   or unpaid general excise tax under chapter 237 or use tax under  
14   chapter 238 together with penalty or interest for sales made  
15   during the period the seller was not registered in the State;  
16   provided registration occurs within twelve months of the  
17   effective date of the State's participation in the streamlined  
18   sales and use tax agreement.

19           (c) The amnesty shall not be available to a seller with  
20   respect to any matter or matters for which the seller received  
21   notice of the commencement of an audit and the audit is not yet

1 finally resolved including any related administrative and  
2 judicial processes.

3 (d) The amnesty shall not be available for general excise  
4 or use taxes already paid or remitted to the State or to taxes  
5 collected by the seller.

6 (e) The amnesty shall be fully effective, absent the  
7 seller's fraud or intentional misrepresentation of a material  
8 fact, as long as the seller continues registration and continues  
9 payment or collection and remittance of applicable general  
10 excise or use taxes for a period of at least thirty-six months.  
11 The statute of limitations is tolled with respect to asserting a  
12 tax liability during this thirty-six month period.

13 (f) The amnesty shall only apply to general excise or use  
14 taxes due from a seller in its capacity as a seller and not to  
15 sales or use taxes due from a seller in its capacity as a buyer.

16 **§255D-D Local rate and boundary changes.** (a) Any rate  
17 changes by a local jurisdiction shall be effective only on the  
18 first day of a calendar quarter after a minimum of sixty days  
19 notice to sellers.

20 (b) Any local tax rate changes relating to purchases from  
21 printed catalogs wherein the purchaser computes the tax based  
22 upon local tax rates published in the catalog shall be effective

1 only on the first day of a calendar quarter after a minimum of  
2 one hundred twenty days notice to sellers.

3 (c) For general excise and use tax purposes only, local  
4 jurisdiction boundary changes apply only on the first day of a  
5 calendar quarter after a minimum of sixty days notice to  
6 sellers.

7 (d) The department of taxation shall provide and maintain  
8 a database that describes boundary changes for all taxing  
9 jurisdictions. The database shall include a description of the  
10 change and the effective date of the change for general excise  
11 tax under chapter 237 and use tax under chapter 238 purposes.

12 (e) The department of taxation shall provide and maintain  
13 a database of all general excise tax rates under chapter 237 and  
14 use tax rates under chapter 238 for all of the jurisdictions  
15 levying taxes within the State. For the identification of  
16 states, counties, and cities, codes corresponding to the rates  
17 shall be provided according to Federal Information Processing  
18 Standards as developed by the National Institute of Standards  
19 and Technology. For the identification of all other  
20 jurisdictions, codes corresponding to the rates shall be in the  
21 format determined by the Streamlined Sales Tax Governing Board,  
22 Incorporated.

1       (f) The department of taxation shall provide and maintain  
2 a database that assigns each five digit and nine digit zip code  
3 within the State to the proper tax rates and jurisdictions. The  
4 department of taxation shall apply the lowest combined tax rate  
5 imposed in the zip code area if the area includes more than one  
6 tax rate in any level of taxing jurisdictions. If a nine digit  
7 zip code designation is not available for a street address or if  
8 a seller or certified service provider is unable to determine  
9 the nine digit zip code designation of a purchaser after  
10 exercising due diligence to determine the designation, the  
11 seller or certified service provider may apply the rate for the  
12 five digit zip code area. For the purposes of this section,  
13 there is a rebuttable presumption that a seller or certified  
14 service provider has exercised due diligence if the seller has  
15 attempted to determine the nine digit zip code designation by  
16 utilizing software approved by the Streamlined Sales Tax  
17 Governing Board, Incorporated, that makes this designation from  
18 the street address and the five digit zip code of the purchaser.

19       (g) The State shall participate with other states in the  
20 development of an address-based system for assigning taxing  
21 jurisdictions. The system shall meet the requirements developed  
22 pursuant to the federal Mobile Telecommunications Sourcing Act

1 (4 U.S.C. Sec. 119(a)). If any state develops an address-based  
2 assignment system pursuant to the Mobile Telecommunications  
3 Sourcing Act, a seller may use that system in place of the  
4 system provided for in subsection (e).

5 **§255D-E Certified service provider; agent of the seller.**

6 (a) A certified service provider is the agent of a seller, with  
7 whom the certified service provider has contracted for the  
8 collection and remittance of general excise and use taxes. As  
9 the seller's agent, the certified service provider is liable for  
10 general excise and use tax due to the State on all sales  
11 transactions it processes for the seller unless the seller made  
12 a material misrepresentation or committed fraud.

13 (b) A seller that uses a certified automated system is  
14 responsible and is liable to the State for reporting and  
15 remitting tax.

16 **§255D-F Confidentiality of records.** (a) Except as  
17 provided in subsection (c), a certified service provider shall  
18 not retain or disclose the personally identifiable information  
19 of consumers. A certified service provider's system shall be  
20 designed and tested to ensure the privacy of consumers by  
21 protecting their anonymity.

1       (b) A certified service provider shall provide clear and  
2 conspicuous notice of its information practices to consumers,  
3 including but not limited to what information it collects, how  
4 it collects the information, how it uses the information, how  
5 long it retains the information, and whether it discloses the  
6 information to member states.

7       (c) A certified service provider's retention or disclosure  
8 to member states of personally identifiable information is  
9 limited to that required to ensure the validity of exemptions  
10 claimed because of a consumer's status or intended use of the  
11 goods or services purchased.

12       (d) A certified service provider shall provide the  
13 necessary technical, physical, and administrative safeguards to  
14 protect personally identifiable information from unauthorized  
15 access and disclosure.

16       (e) The privacy policy required under this section shall  
17 be subject to enforcement by the attorney general.

18       (f) If personally identifiable information is retained by  
19 the State for the purpose of subsection (c), in the absence of  
20 exigent circumstances, a person shall be afforded reasonable  
21 access to their own data, with a right to correct inaccurately  
22 recorded data.

- 1       (g) The agreement does not enlarge or limit the State's  
2 authority to do any of the following:
- 3       (1) Conduct audits or other reviews as provided under the  
4 agreement or the State's law;
- 5       (2) Provide records pursuant to chapter 92F, disclosure  
6 laws with governmental agencies, or other regulations;
- 7       (3) Prevent, consistent with the State's law, disclosures  
8 of confidential taxpayer information;
- 9       (4) Prevent, consistent with federal law, disclosures or  
10 misuse of federal return information obtained under a  
11 disclosure agreement with the Internal Revenue  
12 Service; or
- 13       (5) Collect, disclose, disseminate, or otherwise use  
14 anonymous data for governmental purposes.
- 15       (h) The department shall publish on the department's  
16 website the State's policy relating to the collection, use, and  
17 retention of personally identifiable information obtained from a  
18 certified service provider under subsection (c).
- 19       (i) The department shall destroy personally identifiable  
20 information obtained from a certified service provider when the  
21 information is no longer required for purposes under subsection  
22 (c).

1       (j) If a person other than a member state or person  
2 authorized by a member state's law or the agreement seeks to  
3 discover personally identifiable information about an individual  
4 from the State, the department shall make a reasonable and  
5 timely effort to notify that individual of the request.

6       (k) As used in this section, "personally identifiable  
7 information" means information that identifies a specific  
8 person.

9       **§255D-G Liability for uncollected tax.** (a) A seller  
10 registered under the agreement is not liable for any uncollected  
11 or nonremitted tax on transactions with purchasers in the State  
12 before the date of registration if the seller was not licensed  
13 or registered under chapter 237 in the twelve-month period  
14 preceding the effective date of the State's participation in the  
15 agreement. The seller is also not responsible for any penalty  
16 or interest that may be due on those transactions. This  
17 subsection applies only if the seller is registered in this  
18 State within twelve months of the effective date of this State's  
19 participation in the agreement.

20       (b) Subsection (a) does not apply to:

21       (1) Any tax liability of the registered seller for  
22 transactions that are subject to general excise or use

1 tax in the State in which the registered seller is the  
2 purchaser;

3 (2) Any general excise or use taxes already paid or  
4 remitted to the State or to taxes collected by the  
5 seller; and

6 (3) Any transactions for which the seller received notice  
7 of the commencement of an audit and the audit is not  
8 finally resolved, including related administrative or  
9 judicial processes.

10 (c) Subsection (a) applies to the seller absent the  
11 seller's fraud or intentional misrepresentation of a material  
12 fact only if the seller continues to be registered under the  
13 agreement and continues collection and remittance of applicable  
14 general excise and use taxes in the State for at least  
15 thirty-six months. The statute of limitations applicable to  
16 assessing a tax liability shall be tolled during the thirty-six-  
17 month period.

18 **§255D-H Rate changes.** (a) The department shall publish  
19 on its website a notification to sellers registered under the  
20 agreement of a change in rate or tax base within five business  
21 days of receiving notice of the changes to the rate or tax base  
22 or of an amendment to general excise and use tax rules.

1 Whenever possible, a rate or tax base change should occur on the  
2 first day of a calendar quarter.

3 (b) The failure of a seller to receive notice under  
4 subsection (a) does not relieve the seller of its obligation to  
5 collect the general excise or use tax.

6 (c) The department shall complete a taxability matrix as  
7 provided for under section 328 of the agreement, maintain it in  
8 a database in a downloadable format approved by the Streamlined  
9 Sales Tax Governing Board, Incorporated, and provide notice of  
10 changes in the matrix.

11 **§255D-I Customer refund procedures.** A cause of action  
12 against a seller for overcollected general excise or use taxes  
13 does not accrue until sixty days after a purchaser has provided  
14 written notice to a seller. The purchaser shall provide in the  
15 notice sufficient information to determine the validity of the  
16 request. In matters relating to the request, a seller is  
17 presumed to have a reasonable business practice if in the  
18 collection of general excise or use tax, the seller has a  
19 certified service provider or a system, including a proprietary  
20 system, certified by the department, and has remitted to this  
21 State all taxes collected, less any deductions, credits, or  
22 collection allowances."

1 SECTION 9. Chapter 239, Hawaii Revised Statutes, is  
2 amended by adding a new section to part II to be appropriately  
3 designated and to read as follows:

4 "§239- Treatment of conflicts. In case of conflict  
5 between this part and chapter 237, chapter 237 shall control."

6 SECTION 10. Section 237-3, Hawaii Revised Statutes, is  
7 amended by amending subsection (a) to read as follows:

8 "(a) "Gross income" means the gross receipts, cash or  
9 accrued, of the taxpayer received as compensation for personal  
10 services and the gross receipts of the taxpayer derived from  
11 trade, business, commerce, or sales and the value proceeding or  
12 accruing from the sale of tangible personal property, or  
13 service, or both, and all receipts, actual or accrued as  
14 hereinafter provided, by reason of the investment of the capital  
15 of the business engaged in, including interest, discount,  
16 rentals, royalties, fees, or other emoluments however designated  
17 and without any deductions on account of the cost of property  
18 sold, the cost of materials used, labor cost, taxes, royalties,  
19 interest, or discount paid or any other expenses whatsoever.  
20 Every taxpayer shall be presumed to be dealing on a cash basis  
21 unless the taxpayer proves to the satisfaction of the department  
22 of taxation that the taxpayer is dealing on an accrual basis and

1 the taxpayer's books are so kept, or unless the taxpayer employs  
2 or is required to employ the accrual basis for the purposes of  
3 the tax imposed by chapter 235 for any taxable year in which  
4 event the taxpayer shall report the taxpayer's gross income for  
5 the purposes of this chapter on the accrual basis for the same  
6 period.

7 "Gross proceeds of sale" means the [~~value actually~~  
8 ~~proceeding from the sale of tangible personal property without~~  
9 ~~any deduction on account of the cost of property sold or~~  
10 ~~expenses of any kind.] sales price."~~

11 SECTION 11. Section 237-8.6, Hawaii Revised Statutes, is  
12 amended by amending subsection (a) to read as follows:

13 "(a) The county surcharge on state tax, upon the adoption  
14 of county ordinances and in accordance with the requirements of  
15 section 46-16.8, shall be levied, assessed, and collected as  
16 provided in this section on all gross proceeds and gross income  
17 taxable under this chapter. No county shall set the surcharge  
18 on state tax at a rate greater than one-half of one per cent of  
19 all gross proceeds and gross income taxable under this chapter.  
20 All provisions of this chapter shall apply to the county  
21 surcharge on state tax. With respect to the surcharge, the  
22 director of taxation shall have all the rights and powers

1 provided under this chapter. No county shall conduct an  
 2 independent tax audit of sellers registered under the  
 3 streamlined sales and use tax agreement. In addition, the  
 4 director of taxation shall have the exclusive rights and power  
 5 to determine the county or counties in which a person is engaged  
 6 in business and, in the case of a person engaged in business in  
 7 more than one county, the director shall determine, through  
 8 apportionment or other means, that portion of the surcharge on  
 9 state tax attributable to business conducted in each county."

10 SECTION 12. Section 237-9, Hawaii Revised Statutes, is  
 11 amended to read as follows:

12 "**§237-9 Licenses; penalty.** (a) Except as provided in  
 13 this section, any person who has a gross income or gross  
 14 proceeds of sales or value of products upon which a privilege  
 15 tax is imposed by this chapter, as a condition precedent to  
 16 engaging or continuing in [~~such~~] the business, shall in writing  
 17 apply for and obtain from the department of taxation, upon a  
 18 one-time payment of the sum of \$20, a license to engage in and  
 19 to conduct such business, upon condition that the person shall  
 20 pay the taxes accruing to the State under this chapter, and the  
 21 person shall thereby be duly licensed to engage in and conduct  
 22 the business. Any person licensed or holding a license under

1 this chapter before January 1, 1990, shall pay a one-time  
2 license renewal fee of \$20 on or before January 31, 1990, as a  
3 condition precedent to engaging or continuing in business. The  
4 license shall not be transferable and shall be valid only for  
5 the person in whose name it is issued and for the transaction of  
6 business at the place designated therein. The license may be  
7 inspected and examined, and shall at all times be conspicuously  
8 displayed at the place for which it is issued.

9 A seller registered under the streamlined sales and use tax  
10 agreement who is not otherwise obligated to obtain a license in  
11 the State is not required to obtain a license because of that  
12 registration.

13 (b) Licenses and applications therefor shall be in such  
14 form as the department shall prescribe, except that where the  
15 licensee is engaged in two or more forms of business of  
16 different classification, the license shall so state on its  
17 face. The license provided for by this section shall be  
18 effective until canceled in writing. Any application for the  
19 reissuance of a previously canceled license identification  
20 number after December 31, 1989, shall be regarded as a new  
21 license application and subject to the payment of the one-time  
22 license fee of \$20. The director may revoke or cancel any

1 license issued under this chapter for cause as provided by rules  
2 adopted pursuant to chapter 91.

3 (c) If the license fee is paid, the department shall not  
4 refuse to issue a license or revoke or cancel a license for the  
5 exercise of a privilege protected by the First Amendment of the  
6 Constitution of the United States, or for the carrying on of  
7 interstate or foreign commerce, or for any privilege the  
8 exercise of which, under the Constitution and laws of the United  
9 States, cannot be restrained on account of nonpayment of taxes,  
10 nor shall section 237-46 be invoked to restrain the exercise of  
11 such a privilege, or the carrying on of [~~such~~] interstate or  
12 foreign commerce.

13 (d) The director may permit a person engaged in network  
14 marketing, multi-level marketing, or other similar business to  
15 obtain the license required under this section for purposes of  
16 becoming a tax collection agent on behalf of its direct sellers.  
17 The tax collection agent shall report, collect, and pay over the  
18 taxes due under this chapter and chapter 238 on behalf of its  
19 direct sellers who are covered by the tax collection agreement.  
20 The tax collection agent's direct sellers shall be deemed to be  
21 licensed under this chapter; provided that the licensure shall  
22 apply solely to the business activity conducted directly through

1 the marketing arrangement. Under this section, a tax collection  
2 agent shall:

3 (1) Notify all of its direct sellers making sales in the  
4 State that it has been designated to collect, report,  
5 and pay over the tax imposed by this chapter and  
6 chapter 238 on their behalf on the business activity  
7 conducted through the marketing arrangement;

8 (2) If required by the director as a condition of  
9 obtaining the license, furnish with the annual return,  
10 a list (including identification numbers) of all  
11 direct sellers for the taxable year who have been  
12 provided (by the tax collection agent) information  
13 returns required under section 6041A of the Internal  
14 Revenue Code of 1986, as amended, and any other  
15 information that is relevant to ensure proper payment  
16 of taxes due under this section; and

17 (3) Be personally liable for the taxes due and collected  
18 under the tax collection agreement if taxes are  
19 collected, but not reported or paid, together with  
20 penalties and interest as provided by law.

21 (e) The director may authorize a person to assume the  
22 obligation of self-accruing and remitting tax due on purchases

1 or leases directly to the department under a direct payment  
2 authorization, if the following conditions are met:

3 (1) The authorization is to be used for the purchase or  
4 lease of tangible personal property or services;

5 (2) The authorization is necessary because it is either  
6 impractical at the time of acquisition to determine  
7 the manner in which the tangible personal property or  
8 services will be used or it will facilitate improved  
9 compliance with the tax laws of the State; and

10 (3) The person requesting authorization for direct payment  
11 maintains accurate and complete records of all  
12 purchases or leases and uses of tangible personal  
13 property or services purchased pursuant to the direct  
14 payment authorization in a form acceptable to the  
15 department.

16 The department may identify items that are not eligible for a  
17 direct payment authorization.

18 ~~(e)~~ (f) For the purposes of this section:

19 "Consumer product" shall include tangible consumer products  
20 and intangible consumer services.

1 "Direct seller" means any person who is engaged in the  
2 trade or business of selling (or soliciting the sale of)  
3 consumer products:

4 (1) To any buyer on a buy-sell basis, a deposit-commission  
5 basis, or any similar basis, that the director  
6 prescribes by rule adopted pursuant to chapter 91, for  
7 resale other than in a permanent retail establishment;

8 (2) Other than in a permanent retail establishment;  
9 provided that:

10 (A) Substantially all the remuneration (whether or  
11 not paid in cash) for the sale of consumer  
12 products is directly related to sales or other  
13 output rather than to the number of hours worked;  
14 and

15 (B) The sales of consumer products by the person are  
16 performed pursuant to a written contract that  
17 provides that the person will not be treated as  
18 an employee with respect to those sales for  
19 federal or state tax purposes.

20 "Direct seller" includes individuals who realize  
21 remuneration dependent on the productivity of other individuals  
22 in the marketing arrangement.

1 "Network marketing" or "multi-level marketing" means a  
2 marketing arrangement in which consumer products are distributed  
3 and sold to or through direct sellers."

4 SECTION 13. Section 237-13, Hawaii Revised Statutes, is  
5 amended to read as follows:

6 "**§237-13 Imposition of tax.** There is hereby levied and  
7 shall be assessed and collected annually privilege taxes against  
8 persons on account of their business and other activities in the  
9 State measured by the application of rates against values of  
10 products, gross proceeds of sales, or gross income, whichever is  
11 specified, as follows:

12 [~~1~~] ~~Tax on manufacturers.~~

13 ~~(A) Upon every person engaging or continuing within~~  
14 ~~the State in the business of manufacturing,~~  
15 ~~including compounding, canning, preserving,~~

17 ~~processing, refining, or preparing for sale,~~  
18 ~~profit, or commercial use, either directly or~~  
19 ~~through the activity of others, in whole or in~~  
20 ~~part, any article or articles, substance or~~  
21 ~~substances, commodity or commodities, the amount~~  
22 ~~of the tax to be equal to the value of the~~

1 ~~articles, substances, or commodities,~~  
2 ~~manufactured, compounded, canned, preserved,~~  
3 ~~packed, printed, milled, processed, refined, or~~  
4 ~~prepared for sale, as shown by the gross proceeds~~  
5 ~~derived from the sale thereof by the manufacturer~~  
6 ~~or person compounding, preparing, or printing~~  
7 ~~them, multiplied by one half of one per cent.~~

8 ~~(B) The measure of the tax on manufacturers is the~~  
9 ~~value of the entire product for sale, regardless~~  
10 ~~of the place of sale or the fact that deliveries~~  
11 ~~may be made to points outside the State.~~

12 ~~(C) If any person liable for the tax on manufacturers~~  
13 ~~ships or transports the person's product, or any~~  
14 ~~part thereof, out of the State, whether in a~~

16 ~~same for delivery to points outside the State~~  
17 ~~(for example, consigned to a mainland purchaser~~  
18 ~~via common carrier f.o.b. Honolulu), the value of~~  
19 ~~the products in the condition or form in which~~  
20 ~~they exist immediately before entering interstate~~  
21 ~~or foreign commerce, determined as hereinafter~~  
22 ~~provided, shall be the basis for the assessment~~

1 ~~of the tax imposed by this paragraph. This tax~~  
2 ~~shall be due and payable as of the date of entry~~  
3 ~~of the products into interstate or foreign~~  
4 ~~commerce, whether the products are then sold or~~  
5 ~~not. The department shall determine the basis~~
