
A BILL FOR AN ACT

RELATING TO BULLYING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there is a growing
2 body of research on the prevalence of school bullying, the
3 likelihood of school bullies to develop anti-social behavior,
4 and the effects of bullying on its victims and on school
5 climates. A 2002 U.S. Secret Service report found bullying
6 played a major role in several school shootings on the mainland.

7 In Hawaii, three newspaper articles in the *Honolulu*
8 *Advertiser*, dated February 5, 2006, June 28, 2006, and
9 July 3, 2006, have highlighted the problem of bullying in
10 Hawaii's public schools. The legislature finds that more
11 attention and awareness needs to be focused within the schools
12 on bullying.

13 The legislature also finds that ubiquitous technology has
14 given rise to cyberbullying which is used by students with
15 greater frequency in lieu of traditional schoolyard bullying.

1 The purpose of this Act is to require the department of
2 education to adopt rules to reduce and prevent school bullying
3 and cyberbullying.

4 SECTION 2. Section 302A-101, Hawaii Revised Statutes, is
5 amended by adding two new definitions to be appropriately
6 inserted and to read as follows:

8 transmissions, including but not limited to, the use of data or
9 computer software that is accessed through a computer, computer
10 system, blog, cellular phone, fax, text messaging, an on-line
11 community websites like MySpace, or computer network, and
12 similar transmissions, without the purpose of legitimate
13 communication, including but not limited to, harassment,
14 taunting, and ridicule.

15 "School bullying" means aggressive behavior or causing
16 intentional harm committed by an individual or group repeated
17 over time. The act of bullying may take various forms,
18 including but not limited to physical abuse, harassment,
19 intimidation, taunting, and ridicule."

20 SECTION 3. Chapter 302A, Hawaii Revised Statutes, is
21 amended by adding a new section to part IV, subpart C, to be
22 appropriately designated and to read as follows:

1 "§302A- Bullying; rules. The department shall adopt
2 rules in accordance with chapter 91 regarding policies and
3 procedures to reduce and prevent school bullying and
4 cyberbullying. At a minimum, the rules shall provide for:

11 submitting false reports of incidents of bullying or

13 SECTION 4. There is appropriated out of the general
14 revenues of the State of Hawaii the sum of \$, or so
15 much thereof as may be necessary for fiscal year 2007-2008, and
16 the same sum, or so much thereof as may be necessary for fiscal
17 year 2008-2009, for the department of education to implement
