# A BILL FOR AN ACT

RELATING TO GASOLINE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that gasoline that meets  
2 the ethanol content requirement set forth in section 486J-10,  
3 Hawaii Revised Statutes, is damaging to the non-metal parts of  
4 the fuel storage and engine systems in marine engines, general  
5 aviation engines, and other small gasoline-driven tools.

6           The purpose of this Act is to require refiners to make  
7 available gasoline that does not contain ethanol for users of  
8 marine equipment, general aviation equipment, and small tool  
9 users.

10          SECTION 2. Chapter 486H, Hawaii Revised Statutes, is  
11 amended by adding a new section to be appropriately designated  
12 and to read as follows:

13          "§486H-        Provision of gasoline not containing ethanol.

14          (a) Each refiner, as that term is defined in section 486J-  
15 1, shall make available to marine fueling stations and its  
16 company-operated stations that are owned and operated by the

1 refiner gasoline that does not contain the ethanol content  
2 required by section 486J-10.

3 (b) Each refiner, as that term is defined in section 486J-  
4 1, shall make available to general aviation fueling stations and  
5 its company-operated stations that are owned and operated by the  
6 refiner gasoline that does not contain the ethanol content  
7 required by section 486J-10.

8 (c) Each refiner, as that term is defined in section 486J-  
9 1, shall make available to its company-operated stations that  
10 are owned and operated by the refiner gasoline that does not  
11 contain the ethanol content required by section 486J-10 for use  
12 by small tool users."

13 SECTION 3. New statutory material is underscored.

14 SECTION 4. This Act shall take effect on January 1, 2008.
