S.B. NO. 199

A BILL FOR AN ACT

RELATING TO SALARY PERIODS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, prior to the
2 implementation of the payroll lag for public employees, Hawaii
3 law did not allow any employer to delay payment of wages to an
4 employee for more than seven days after the end of a pay period.
5 The legislature believes that prompt payment of wages earned is
6 a fair and sound fiscal policy and that, currently, there are no
7 facts to justify a payroll lag for public employees, whose base
8 salaries often are already quite low. To require public
9 employees to wait longer to receive the paychecks that they have
10 already earned lowers the value of the wages that public
11 employees receive. Excessive delays are unfair to public
12 employees and constitute poor business and management practice.

13 The purpose of this Act is to ensure fair and timely
14 payment of wages to public employees by repealing the State's
15 authority to engage in unacceptable and abusive payroll delays.

16 SECTION 2. Section 78-13, Hawaii Revised Statutes, is
17 amended by amending subsection (a) to read as follows:

1 Unless otherwise provided by law, all officers and
 2 employees shall be paid at least semimonthly except that
 3 substitute teachers, part-time hourly rated teachers of adult
 4 and evening classes, and other part-time, intermittent, or
 5 casual employees may be paid once a month [and that the
 6 governor, upon reasonable notice and upon determination that the
 7 payroll payment basis should be converted from predated payroll
 8 to after the fact payroll, may allow a one time once a month
 9 payroll payment to all public officers and employees to effect a
 10 conversion to after the fact payroll as follows:
 11 (1) The implementation of the after the fact payroll will
 12 commence with the June 30, 1998, pay day, which will
 13 be delayed to July 1, 1998;
 14 (2) The July 15, 1998, pay day will be delayed to July 17,
 15 1998;
 16 (3) The July 31, 1998, pay day will be delayed to August
 17 3, 1998;
 18 (4) The August 14, 1998, pay day will be delayed to August
 19 19, 1998;
 20 (5) The August 31, 1998, pay day will be delayed to
 21 September 4, 1998;

1 ~~(6) The September 15, 1998, pay day will be delayed to~~
2 ~~September 18, 1998, and~~

3 ~~(7) Thereafter, pay days will be on the fifth and the~~
4 ~~twentieth of every month. If the fifth and the~~
5 ~~twentieth fall on a state holiday, Saturday, or~~
6 ~~Sunday, the pay day will be the immediately preceding~~
7 ~~weekday.~~

8 ~~The implementation of the after the fact payroll shall not be~~
9 ~~subject to negotiation under chapter 89.].~~ Pay day shall be on
10 the first and fifteenth of each month. If the first or the
11 fifteenth day falls on a state holiday, Saturday, or Sunday, the
12 pay day shall be the immediately preceding weekday. The
13 implementation of the predicted payroll shall not be subject to
14 negotiation under chapter 89."

15 SECTION 3. The governor and the comptroller, in
16 implementing this Act, shall take any necessary steps to ensure
17 that minimal disruptions occur in the payment of salary or wages
18 to public employees.

19 SECTION 4. Statutory material to be repealed is bracketed
20 and stricken. New statutory material is underscored.
