A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR A GRANT-IN-AID TO THE CITY AND
COUNTY OF HONOLULU TO DESIGN AND CONSTRUCT A SIDEWALK ON
THE NORTH SIDE OF WAIPAHU STREET, OAHU.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that pedestrian safety is
2 important to the health and well-being of the community. The
3 legislature further finds that the north side of Waipahu Street,
4 specifically from Waipahu Depot Road to Awamoi Street and from
5 Amokii Street to Waikele Road on Oahu, is heavily used by
6 children, adults, and motor vehicles. However, a significant
7 hazard exists for pedestrians because in this area there are no
8 sidewalks; and where sidewalks do exist, they are broken,
9 unsafe, and in desperate need of repair.

10 The purpose of this Act is to ensure that this area is made
11 safe for pedestrians.

12 SECTION 2. There is appropriated out of the general
13 revenues of the State of Hawaii the sum of \$ or so
14 much thereof as may be necessary for fiscal year 2008-2009 as a
15 grant-in-aid to the city and county of Honolulu for expenditures
16 for the design and construction of a sidewalk on the north side

1 of Waipahu Street from Waipahu Depot Road to Awamoi Street and
2 from Amokii Street to Waikele Road.

3 SECTION 3. The sum appropriated shall be expended by the
4 city and county of Honolulu for the purposes of this Act.

5 SECTION 4. This Act shall take effect on July 1, 2008.

Report Title:

Waipahu Street; Grant-in-Aid to City & County of Honolulu

Description:

Appropriates funds as a grant-in-aid to city and county of Honolulu to design and construct a sidewalk on the north side of Waipahu Street from Waipahu Depot Road to Awamoi Street and from Amokii Street to Waikele Road.
