
A BILL FOR AN ACT

RELATING TO PUBLIC SAFETY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that approximately one
2 hundred seventy-five women prisoners who are residents of the
3 State of Hawaii are incarcerated in mainland prisons. Many of
4 these women are parents.

5 The increased likelihood of children of incarcerated
6 parents being at high risk for physical and mental problems,
7 aggression, and criminal activity has been documented in
8 numerous studies by various institutions, including the Center
9 for Children of Incarcerated Parents, the Child Welfare League
10 of America, and the Federal Resource Center for Children of
11 Prisoners.

12 The legislature further finds that the children of Hawaii
13 prisoners incarcerated on the mainland have an even higher risk
14 of becoming troubled due to the geographical separation that
15 precludes regular visits between parent and child and limits
16 access to support services.

1 The legislature further finds that the current contract for
2 incarcerating female prisoners, who are residents of Hawaii, on
3 the mainland expires in October 2008. The near-term expiration
4 of this contract provides an opportunity for the department of
5 public safety to review what additional facilities and programs
6 must be in place to adequately house and rehabilitate female
7 prisoners returned to Hawaii.

8 The purpose of this Act is to create a plan to return as
9 many as possible of the female prisoners who are residents of
10 Hawaii and incarcerated on the mainland to Hawaii by July 1,
11 2009.

12 SECTION 2. The department of public safety shall develop a
13 plan, to be completed by January 1, 2009, to return to the State
14 of Hawaii by July 1, 2009, as many as possible of the female
15 prisoners who are residents of the State of Hawaii and who have
16 been sent to the mainland for incarceration.

17 SECTION 3. There is appropriated out of the general
18 revenues of the State of Hawaii the sum of \$ or so
19 much thereof as may be necessary for fiscal year 2008-2009 for
20 the development of a plan to return to the State of Hawaii by
21 July 1, 2009, as many as possible of the female prisoners who

1 are residents of the State of Hawaii and who have been sent to
2 the mainland for incarceration.

3 The sum appropriated shall be expended by the department of
4 public safety for the purposes of this Act.

5 SECTION 4. This Act shall take effect on July 1, 2008.
