# A BILL FOR AN ACT

RELATING TO THE RIGHTS OF VICTIMS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that under the basic bill  
2 of rights of crime victims and witnesses in chapter 801D, Hawaii  
3 Revised Statutes, victims and surviving immediate family members  
4 of crime, upon their written request, must be notified of "major  
5 developments" in the case and whenever the defendant or  
6 perpetrator is released from custody; provided that the crime  
7 charged is a felony. This right of crime victims and their  
8 surviving immediate family members does not depend on whether  
9 the person has actually been convicted of that crime, since the  
10 term "crime" is defined in that chapter as an act or omission  
11 committed by an adult or juvenile that would constitute an  
12 offense against the person under the Hawaii penal code.

13           However, the definition of "major developments" in that  
14 chapter is vague with respect to whether that term includes such  
15 events as a finding that the perpetrator is deemed unfit to  
16 stand trial, has been transferred to the state hospital or other  
17 psychiatric institution, or has been rehabilitated and

1 transferred back to the jurisdiction of the county for  
2 resumption of penal proceedings upon regaining fitness to  
3 proceed. While the definition of that term includes "the  
4 disposition of the case", this phrase arguably does not include  
5 these other developments.

6 Consequently, a victim or surviving immediate family member  
7 of a felony may not conceivably be notified if a defendant or  
8 perpetrator is found unfit to proceed, acquitted, or transferred  
9 to the state hospital or other facility, since these events are  
10 not specifically included in the definition of "major  
11 developments". The legislature finds that these crime victims  
12 and their families should be notified under these circumstances,  
13 and should be further notified of the date of the resumption of  
14 penal proceedings, should the defendant or perpetrator be  
15 subsequently deemed fit to proceed.

16 Accordingly, the purpose of this Act is to:

- 17 (1) Amend the definition of "major developments" to include  
18 unfitness to stand trial, transfer to the state hospital  
19 or other psychiatric facility, or regaining fitness to  
20 proceed; and  
21 (2) Give victims the choice to receive notification or not.

1 SECTION 2. Chapter 801D, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4 "§801D- Notification not required. Victims, witnesses, and  
5 surviving immediate family members of crime victims may waive  
6 their rights under section 801D-4 by providing written notice to  
7 police and the prosecuting attorney."

8 SECTION 3. Section 334-2.5, Hawaii Revised Statutes, is  
9 amended by amending subsection (b) to read as follows:

10 "(b) The department may operate or contract for a secure  
11 psychiatric rehabilitation program for individuals who require  
12 intensive therapeutic treatment and rehabilitation in a secure  
13 setting. The services authorized by this section shall be for  
14 persons:

- 15 (1) Involuntarily hospitalized under this chapter for  
16 whom the services cannot be reimbursed, covered, or  
17 provided by an insurer, plan, or other person;
- 18 (2) Committed to the custody of the director under  
19 chapter 704; and
- 20 (3) Appropriately hospitalized under chapter 704 or  
21 706.

1           The director shall be responsible for the appropriate  
2 placement of all persons placed in facilities or services  
3 contracted for or operated by the director under paragraphs (1)  
4 through (3).

5           Any such person placed in a facility or services contracted  
6 for or operated by the director who leaves or remains away from  
7 the facility or services, without permission, may be apprehended  
8 and returned to the facility or services by any employee of the  
9 department or by any police officer without any warrant or  
10 further proceeding. The director, upon written request, shall  
11 give notice to each victim, witness, or surviving immediate  
12 family member as defined in section 801D-2, of any unauthorized  
13 absence of any person placed in a facility or services  
14 contracted by or operated by the director, by the most  
15 reasonable and expedient means available.

16           No failure of any state officer or employee to carry out  
17 the requirements of this subsection shall subject the State or  
18 employee to liability in any civil action; provided that such  
19 failure may provide a basis for disciplinary action as may be  
20 deemed appropriate by competent authority."

1 SECTION 4. Section 801D-2, Hawaii Revised Statutes, is  
2 amended by amending the definition of "major developments" to  
3 read as follows:

4 "Major developments" means arrest or release of the  
5 suspect by the police, case deferral by the police, referral to  
6 the prosecutor by the police, rejection of the case by the  
7 prosecutor, preliminary hearing date, grand jury date, trial and  
8 sentencing dates, and the disposition of the case.

9 The term "major developments" includes the following  
10 events:

11 (1) The offender is found unfit to proceed or acquitted on  
12 the grounds of physical or mental disease, disorder, or  
13 defect under chapter 704;

14 (2) Following a finding of unfitness to proceed or  
15 acquittal under paragraph (1), the offender is  
16 subsequently:

17 (A) Released or otherwise discharged from custody; or

18 (B) Committed to the custody of the director of health  
19 for placement in an appropriate public or private  
20 institution, including:

21 (i) State facilities established under chapter 334;

22 (ii) A psychiatric facility, special treatment

1                   facility, or therapeutic living program, as  
2                   those terms are defined in section 334-1; or  
3                   (iii) Any other public or private facility or  
4                   institution, whether on an inpatient or  
5                   outpatient basis, for the care, custody,  
6                   diagnosis, treatment, or rehabilitation of that  
7                   person; or

8                   (3) The offender has regained fitness to proceed pursuant  
9                   to section 704-406(2), including the date on which the  
10                   penal proceedings are to be resumed."

11                   SECTION 5. Section 801D-4, Hawaii Revised Statutes, is  
12 amended by amending subsection (a) to read as follows:

13                   "(a) Upon written request, victims and surviving immediate  
14 family members of crime shall have the following rights:

15                   (1) To be informed by the police and the prosecuting  
16 attorney of the final disposition of the case. If  
17 the crime charged is a felony, the victim or a
