A BILL FOR AN ACT

RELATING TO DENTAL CARE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. In 2006, the legislature appropriated funds to
2 the department of human services to restore specific preventive
3 and restorative dental services for eligible persons twenty-one
4 years of age or older under the State's medicaid and QUEST
5 programs. Previously, dental coverage for eligible adults was
6 limited to dental emergencies. According to a recent department
7 of health report, each eligible adult can receive specific
8 preventive and restorative services, including dentures,
9 equivalent to \$500. However, this does not include coverage for
10 endodontic care, root canals, crowns, elective procedures, or
11 periodontal surgery. Also, partial and full dentures generally
12 cost more than \$500.

13 The purposes of this Act are to:

14 (1) Expand coverage under medicaid and QUEST to include
15 comprehensive dental care coverage for eligible
16 persons twenty-one years of age or older and to
17 appropriate funds to provide the additional coverage;

1 (2) Require the department of health to establish a one-
2 year pilot program to gather information on hospital
3 dentistry for the developmentally disabled in the
4 county of Hawaii on usage, feasibility, and costs for
5 statewide application and appropriate funds; and

6 (3) Establish a task force comprised of various
7 stakeholders to assist in developing ways to recruit
8 and retain dental care practitioners, licensed under
9 chapter 447 or 448, Hawaii Revised Statutes, to
10 support the provision of the expanded coverage.

11 SECTION 2. Chapter 346, Hawaii Revised Statutes, is
12 amended by adding a new section to be appropriately designated
13 and to read as follows:

14 "§346- Dental care coverage. The department shall
15 provide comprehensive coverage to medicaid and QUEST recipients
16 for dental care administered by licensed practitioners under
17 chapter 447 or 448.

18 The department shall administer this benefit in a manner
19 that meets federal requirements that are a condition of the
20 receipt of federal funds by the State.

1 For purposes of this section, "comprehensive coverage"
 2 means the dental benefit as defined in the Hawaii state plan for
 3 medicaid."

4 SECTION 3. There is appropriated out of the general
 5 revenues of the State of Hawaii the sum of \$ or so
 6 much thereof as may be necessary for fiscal year 2008-2009 to
 7 expand coverage under medicaid and QUEST to include
 8 comprehensive dental care coverage for persons twenty-one years
 9 of age or older.

10 The sum appropriated shall be expended by the department of
 11 human services for the purposes of this Act.

12 SECTION 4. The department of health shall establish a one-
 13 year pilot program in the county of Hawaii under which the
 14 department shall gather information on hospital dentistry for
 15 the developmentally disabled community in the county of Hawaii
 16 to determine usage, feasibility, and cost issues for application
 17 on a statewide basis.

18 The department shall submit an interim report to the
 19 legislature not less than twenty days prior to the convening of
 20 the regular session of 2009 and a final report, including any
 21 recommendations and proposed legislation, if any, not less than

1 twenty days prior to the convening of the regular session of
2 2010.

3 SECTION 5. There is appropriated out of the general
4 revenues of the State of Hawaii the sum of \$ or so
5 much thereof as may be necessary for fiscal year 2008-2009 for
6 the pilot program to be established by the department of health
7 as provided in section 4.

8 The sum appropriated shall be expended by the dental
9 division of the department of health for the purposes of this
10 Act.

11 SECTION 6. (a) The department of human services shall
12 convene a task force composed of various stakeholders, including
13 the department of health, the Hawaii Dental Association,
14 interested dental care practitioners, at least one
15 representative of a federally qualified health center, and
16 advocates to assist in developing ways to recruit and retain
17 dental care practitioners, licensed under chapter 447 or 448,
18 Hawaii Revised Statutes, to support the provision of the
19 expanded coverage under this Act.

20 (b) The task force shall submit a report to the
21 legislature no later than twenty days prior to the convening of

1 the 2009 regular session. The task force shall cease to exist
2 upon the adjournment sine die of the 2009 regular session.

3 SECTION 7. New statutory material is underscored.

4 SECTION 8. This Act shall take effect on July 1, 2008;
5 provided that section 6 shall take effect upon its approval.
