
A BILL FOR AN ACT

RELATING TO DENTAL CARE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. In 2006, the legislature appropriated funds to
2 the department of human services to restore specific preventive
3 and restorative dental services for eligible persons twenty-one
4 years of age or older under the State's medicaid and QUEST
5 programs. Previously, dental coverage for eligible adults was
6 limited to dental emergencies. According to a recent department
7 of health report, each eligible adult can receive specific
8 preventive and restorative services, including dentures,
9 equivalent to \$500. However, this does not include coverage for
10 endodontic care, root canals, crowns, elective procedures, or
11 periodontal surgery. Further, partial and full dentures often
12 cost more than \$500.

13 The purposes of this Act are to:

14 (1) Expand coverage under medicaid and QUEST to include
15 comprehensive dental care coverage for eligible
16 persons twenty-one years of age or older and to
17 appropriate funds to provide the additional coverage;

1 (2) Require the department of health to establish a one-
2 year pilot program to gather information on hospital
3 dentistry for the developmentally disabled in the
4 county of Hawaii on usage, feasibility, and costs for
5 statewide application and appropriate funds therefor;
6 and

7 (3) Establish a task force comprising various stakeholders
8 to assist in developing ways to recruit and retain
9 dental care practitioners licensed under chapter 447
10 or 448, Hawaii Revised Statutes, to support the
11 provision of the expanded coverage.

12 SECTION 2. Chapter 346, Hawaii Revised Statutes, is
13 amended by adding a new section to be appropriately designated
14 and to read as follows:

15 "§346- Dental care coverage. The department shall
16 provide comprehensive coverage to medicaid and QUEST recipients
17 for dental care administered by licensed practitioners under
18 chapter 447 or 448.

19 The department shall administer this benefit in a manner
20 that meets federal requirements which are a condition of the
21 receipt of federal funds by the State.

1 For purposes of this section, "comprehensive coverage"
2 means the dental benefit as defined in the Hawaii state plan for
3 medicaid."

4 SECTION 3. There is appropriated out of the general
5 revenues of the State of Hawaii the sum of \$ or so
6 much thereof as may be necessary for fiscal year 2008-2009 to
7 expand coverage under medicaid and QUEST to include
8 comprehensive dental care coverage for persons twenty-one years
9 of age or older.

10 The sum appropriated shall be expended by the department of
11 human services for the purposes of this Act.

12 SECTION 4. The department of health shall establish a one-
13 year pilot program in the county of Hawaii through which the
14 department shall gather information on hospital dentistry for
15 the developmentally disabled community in the county of Hawaii
16 to determine usage, feasibility, and cost issues for application
17 on a statewide basis.

18 The department shall submit an interim report to the
19 legislature not less than twenty days prior to the convening of
20 the regular session of 2009 and a final report, including any
21 recommendations and proposed legislation, no later than twenty
22 days prior to the convening of the regular session of 2010.

1 SECTION 5. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$ or so
3 much thereof as may be necessary for fiscal year 2008-2009 for
4 the pilot program to be established by the department of health
5 pursuant to section 4 of this Act.

6 The sum appropriated shall be expended by the dental
7 division of the department of health for the purposes of this
8 Act.

9 SECTION 6. (a) The department of human services shall
10 convene a task force composed of various stakeholders, including
11 the department of health, the Hawaii Dental Association,
12 interested dental care practitioners, at least one
13 representative of a federally qualified health center, and
14 advocates to assist in developing ways to recruit and retain
15 dental care practitioners licensed under chapter 447 or 448,
16 Hawaii Revised Statutes, to support the provision of the
17 expanded coverage under this Act.

18 (b) The task force shall submit a report to the
19 legislature no later than twenty days prior to the convening of
20 the 2009 regular session. The task force shall cease to exist
21 upon the adjournment sine die of the 2009 regular session.

22 SECTION 7. New statutory material is underscored.

1 SECTION 8. This Act shall take effect on July 1, 2008;
2 provided that section 6 shall take effect upon its approval.
