
A BILL FOR AN ACT

RELATING TO TEACHERS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in 2007, the
2 legislature adopted Senate Concurrent Resolution No. 56, S.D. 1,
3 which requested the Hawaii educational policy center to report
4 on the retention and change in assignment of teachers within the
5 department of education. Pursuant to its study, the Hawaii
6 educational policy center made several findings and
7 recommendations to the legislature, including that the
8 information necessary to develop a teacher workforce strategic
9 plan, as requested in the resolution, is currently unavailable
10 because sufficient data has not been collected annually and
11 consistently from all stakeholders.

12 The legislature further finds that the Hawaii educational
13 policy center recommended that the legislature convene a teacher
14 workforce strategic planning committee to develop, adopt, adapt,
15 track, and evaluate the implementation of a strategic teacher
16 workforce development plan for the State.

1 The purpose of this Act is to establish the teacher
2 workforce strategic planning committee and provide funding
3 therefor.

4 SECTION 2. (a) There is established the teacher workforce
5 strategic planning committee within the University of Hawaii.
6 The teacher education coordinating committee shall provide
7 administrative, technical, and clerical support to the
8 committee.

9 (b) The teacher workforce strategic planning committee
10 shall consist of nine members, without regard to section 26-34,
11 Hawaii Revised Statutes, as follows:

15 the chair's designee;
- 16 (3) One representative from the University of Hawaii at
17 Manoa college of education;
- 18 (4) One representative from the University of Hawaii at
19 Hilo education department;
- 20 (5) One representative from the University of Hawaii, West
21 Oahu campus division of social services;

- 1 (6) One representative from Brigham Young University
- 2 Hawaii school of education;
- 3 (7) One representative from Hawaii Pacific University
- 4 teacher education program;
- 5 (8) One representative from Chaminade University education
- 6 division; and
- 7 (9) One representative from the University of Phoenix
- 8 Hawaii campus college of education.

9 (c) The members of the teacher workforce strategic
10 planning committee shall select a chair from among the members.
11 A majority of the members shall constitute a quorum. The
12 members shall not receive compensation for their services but
13 shall be reimbursed for necessary expenses, including travel
14 expenses, incurred in the performance of their duties under this
15 Act. Any member of the task force shall be immune from civil
16 liability, as provided for under section 26-35.5, Hawaii Revised
17 Statutes.

18 (d) The teacher workforce strategic planning committee
19 shall:

- 20 (1) Develop, adopt, adapt, track, and evaluate the
- 21 implementation of a strategic teacher workforce
- 22 development plan;

- 1 (2) Develop an affordable, easily implemented, multi-
2 agency teacher data system to identify and track
3 teacher candidates through the educational,
4 employment, and professional development pipeline.
5 The system should collect timely and ongoing data to
6 assist policymakers in making decisions and in
7 identifying important trends or patterns that inform
8 and improve targeted teacher recruitment, hiring,
9 retention, professional support and development, and
10 premature retirement or departure rates. The system
11 should also contemplate the need for the transfer of
12 appropriate data, with protocols to protect individual
13 privacy; and
- 14 (3) Conduct research on the development and implementation
15 of detailed entrance and exit surveys from
16 institutions of higher education that match student
17 and employee dispositions and experiences with the
18 size, type, and culture of the school to which they
19 were assigned. Research should also focus on why
20 teachers decide to enter the workforce, reasons for
21 transferring from school to school, and factors
22 influencing teachers to leave teaching.

1 (e) The teacher workforce strategic planning committee
 2 shall submit its findings and recommendations, including
 3 proposed legislation, if necessary, to the legislature no later
 4 than twenty days prior to the convening of the regular session
 5 of 2009.

6 SECTION 3. There is appropriated out of the general
 7 revenues of the State of Hawaii the sum of \$ or so
 8 much thereof as may be necessary for fiscal year 2008-2009 for
 9 the teacher workforce strategic planning committee established
 10 pursuant to this Act.

11 The sum appropriated shall be expended by the University of
 12 Hawaii for the purposes of this Act.

13 SECTION 4. This Act shall take effect on July 1, 2008, and
 14 shall be repealed on June 30, 2009.
