S.B. NO. 2752

A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the report of the
2 online learning task force established by Act 275, Session Laws
3 of Hawaii 2007, provides a plan to the department of education
4 for expanding online learning opportunities for students across
5 the State. Online learning is a strategic vehicle that will
6 define the department as a twenty-first century learning
7 institution.

8 The purpose of this Act is to direct the department of
9 education to adopt and implement recommendations and strategic
10 goals contained in the task force's report.

11 SECTION 2. The department of education shall adopt the
12 following recommendations of the online learning task force to:

13 (1) Follow a two-pronged delivery model of services and
14 continue to operate the Myron B. Thompson full time
15 cyber academy as a charter school, as well as
16 establish a Hawaii virtual learning network for
17 supplemental programs;

- 1 (2) Establish a task force to review the State's education
2 policies, requirements, and oversight functions for
3 congruency with the needs and potential of online
4 learning;
- 5 (3) Allow both parents and students to access information
6 about online curriculum;
- 7 (4) Develop and establish a mentoring and training program
8 for online teachers, collaborating with the University
9 of Hawaii department of educational technology as
10 needed;
- 11 (5) Develop and establish an online training program to
12 increase the number of highly qualified teachers,
13 administrators, and paraprofessionals;
- 14 (6) Provide support and incentives to teachers who become
15 qualified to teach online courses and for teachers who
16 utilize online courses to incorporate project-based
17 and work-relevant learning;
- 18 (7) Standardize the procedure for granting credits for
19 online coursework;
- 20 (8) Assist schools with online standards-based college
21 preparatory curriculum;

- 1 (9) Expand credit recovery courses and remediation
- 2 courses;
- 3 (10) Emphasize online science, technology, engineering, and
- 4 mathematics courses and aggressively work to offer
- 5 certain online courses through the department,
- 6 including algebra I, English I, eighth-grade math and
- 7 English, and career guidance;
- 8 (11) Expand distance education through interactive digital
- 9 television;
- 10 (12) Establish an online course and resource center to
- 11 include training modules and other support resources;
- 12 (13) Establish online and in-person tutoring and mentoring
- 13 programs for students, partnering with the University
- 14 of Hawaii as needed; and
- 15 (14) Develop recommendations on appropriate funding
- 16 mechanisms.

17 The above recommendations shall be implemented by the

18 department in consultation with the full task force

19 recommendations. The department shall systematically establish

20 the infrastructure for online learning based on institution

21 type, in the following order of priority: high schools

22 (including charter high schools), middle and elementary schools,

1 adult community schools, charter middle and elementary schools,
2 the University of Hawaii system (particularly the community
3 colleges), private secondary and post-secondary institutions
4 (for a fee), and adult populations for remedial education and
5 upgrading of workforce skill.

6 SECTION 3. This Act shall take effect upon its approval.
