
A BILL FOR AN ACT

RELATING TO VEHICLE IGNITION INTERLOCK SYSTEMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I.

2 SECTION 1. The legislature finds that there is a need to
3 reduce the incidence of drivers on highways and roads of this
4 State, who, because of their use, consumption, or possession of
5 intoxicating liquor, pose a danger to the health and safety of
6 the people of Hawaii.

7 One method of dealing with the problem of drinking drivers
8 is to discourage the use of motor vehicles by persons who
9 possess or have consumed alcoholic beverages. The installation
10 of an ignition interlock system that measures breath alcohol
11 will provide a means of deterring the use of motor vehicles by
12 these persons. Ignition interlock systems are designed to
13 supplement other methods of punishment that prevent drivers who
14 have been convicted of driving under the influence of an
15 intoxicant from using a motor vehicle after using, possessing,
16 or consuming alcohol. It is economically and technically
17 feasible to have an ignition interlock system installed in a

1 motor vehicle in such a manner that the vehicle will not start
2 if the operator has recently consumed alcohol.

3 The purpose of this Act, to be known as the "Drunk Driving
4 Reduction Act of 2008", is to authorize the court to require a
5 person convicted of driving under the influence of an intoxicant
6 to attach an ignition interlock system to the person's car to
7 prevent impaired driving, in addition to other sanctions.

8 SECTION 2. The Hawaii Revised Statutes is amended by
9 adding a new chapter to be appropriately designated and to read
10 as follows:

11 "CHAPTER A

12 IGNITION INTERLOCK SYSTEMS

13 § A-1 Definitions. As used in this chapter:

14 "Director" means the director of transportation.

15 "Examiner of drivers" means the person or persons appointed
16 under 286-101.

17 "Ignition interlock system" means an alcohol monitoring
18 system certified by Underwriters Laboratory Inc., or an
19 equivalent nationally recognized certification organization
20 which prevents a motor vehicle from being started at any time
21 the device detects a predetermined blood alcohol level in the
22 operator by testing a deep-lung breath sample.

1 "Installer" means an installer of an ignition interlock
2 system certified by the director pursuant to this chapter.

3 § A-2 Proof of compliance; failure to comply. (a) When
4 the court sentences an offender to the use of an ignition
5 interlock system, the court shall require the offender to
6 provide proof of installation to the director within ten working
7 days.

8 (b) If the person fails to provide proof of installation
9 within that period, absent a finding of good cause by the court,
10 the court shall revoke or terminate the person's driving
11 privileges for the remaining period during which the use of the
12 system was required.

13 (c) In the event that the system cannot be installed due
14 to unavailability of the system, the manufacturer or installer
15 shall report this to the court and the court may extend the time
16 for implementation of the system for an additional thirty days.

17 (d) For the purposes of this section, good cause for
18 failure to comply shall mean any reason the court deems
19 sufficiently justifiable to excuse the person's failure to
20 comply with its order.

21 (e) The court shall also require an imprint or attachment
22 of a notation on the driver's license of any person restricted

1 under this chapter indicating that the person may operate only a
2 motor vehicle equipped with an ignition interlock system.

3 **§ A-3 Monitoring.** Any person required to install an
4 ignition interlock system shall have the system monitored by the
5 manufacturer of the system for proper use and accuracy at least
6 quarterly or more frequently, as the court may order. A report
7 of such monitoring shall be issued by the manufacturer to the
8 director within fourteen days following each such monitoring.

9 **§ A-4 Costs.** (a) If an ignition interlock is ordered
10 installed pursuant to this chapter, the offender shall pay the
11 reasonable costs of leasing or buying and installing the system.

12 (b) No person may be excluded from those costs for
13 inability to pay unless that person files an affidavit of
14 indigency or inability to pay with the court within ten days of
15 the order, that investigation confirms such indigency or
16 establishes that the payment of such cost would cause a grave
17 and serious hardship to the individual or to the family of the
18 individual, and that the court enters a written finding thereof.
19 In lieu of waiver of the entire amount of the cost, the court
20 may direct the offender to make partial or installment payments
21 of costs when appropriate. Subject to appropriation, the State
22 shall reimburse the installer of a device provided to any person

1 for whom payment of costs has been waived on the grounds of
2 indigency. An additional fee of not more than \$100 shall be
3 paid to the court by each person ordered to implement the
4 ignition interlock device pursuant to this chapter, and all
5 those fees shall be deposited in the general fund, subject to
6 appropriation, for the support costs incurred through
7 implementation by individuals deemed indigent.

8 (c) No fee shall be collected from any person who, after
9 the filing of an affidavit of indigency or inability to pay with
10 the court within ten days of the orders and investigation
11 confirming that indigency or establishing that the payment of
12 the fee would cause a grave and serious hardship to the
13 individual or to the family thereof, is determined by the court
14 to be indigent, provided that the court enters a written finding
15 thereof. In lieu of waiver of the entire amount of the fee, the
16 court may direct the individual to make partial or installment
17 payments of the fee when appropriate. Failure to pay the fees
18 required under this section, unless excused, shall constitute
19 sufficient basis for a finding by the court at a hearing that
20 the person has failed to comply with implementation.

21 § A-5 Employer-owned vehicles. (a) If an offender is
22 required, in the course and scope of the person's employment to

1 operate a motor vehicle owned by the person's employer, the
2 person may operate that vehicle without installation of an
3 ignition interlock system only if the employer has been notified
4 that the employee is restricted as provided in section 291E-61,
5 the employee has proof of the notification in possession while
6 operating the employer's vehicle in the course of employment,
7 and that the license needed to operate the vehicle is not a
8 category four license.

9 (b) To the extent that an employer-owned vehicle is made
10 available for personal use to the person subject to this
11 chapter, no exemption under this section shall apply. A person
12 intending to operate an employer-owned motor vehicle for
13 personal use and who is required to operate only a motor vehicle
14 equipped with a certified ignition interlock system shall bear
15 the burden of notifying the employer in accordance with this
16 section and obtaining consent in writing from the employer to
17 install such a system in the employer-owned vehicle.

18 (c) Upon conviction for violation of any provision of this
19 section, the court shall notify the examiner of drivers who
20 shall immediately revoke the person's license to operate a
21 vehicle for the remainder of the period of suspension or

1 revocation during which the ignition interlock requirement was
2 imposed.

3 **§ A-6 Tampering; use of other than personal motor**

4 **vehicle.** (a) A person shall not knowingly circumvent or tamper
5 with the operation of an ignition interlock system.

6 (b) No person shall knowingly rent, lease, or lend a motor
7 vehicle to a person whose driving privilege is restricted as
8 provided in this chapter, unless the vehicle is equipped with a
9 functioning, certified ignition interlock system. Any person
10 whose driving privilege is restricted shall notify any other
11 person who rents, leases, or lends a motor vehicle to the
12 restricted person of the driving restriction imposed under this
13 chapter.

14 (c) No person shall knowingly solicit another to blow into
15 an ignition interlock system to start the motor vehicle so as to
16 circumvent the system.

17 (d) No person shall knowingly blow into an ignition
18 interlock system or start a motor vehicle equipped with an
19 ignition interlock system for the purpose of providing an
20 operable motor vehicle to someone required to have such a
21 system.

1 (e) This section does not apply if the starting of a motor
2 vehicle, or the request to start a motor vehicle, equipped with
3 an ignition interlock device is done for the purpose of safety
4 or mechanical repair of the device or the vehicle and the person
5 subject to the court order does not operate the vehicle.

6 § A-7 Certification. (a) The director shall certify or
7 cause to be certified ignition interlock systems for use in the
8 State and adopt rules under chapter 91 for the certification of
9 the systems. The standards shall require at least that:

- 10 (1) The system shall not impede the safe operation of the
11 vehicle;
- 12 (2) The system shall have features that make circumvention
13 difficult and that do not interfere with the normal
14 use of the vehicle;
- 15 (3) The system shall correlate well with established
16 measures of alcohol impairment;
- 17 (4) The system shall work accurately and reliably in an
18 unsupervised environment;
- 19 (5) The system shall resist tampering and give evidence if
20 tampering is attempted;
- 21 (6) The system requires a deep-lung breath sample as a
22 measure of blood alcohol concentration equivalence;

1 (7) The system is manufactured by a party who will provide
2 liability insurance; and

3 (8) The ignition interlock system is certified by
4 Underwriters Laboratory Inc. or an equivalent
5 nationally recognized certification organization.

6 (b) A list of certified systems shall be published by the
7 director and the cost of the certification shall be borne by the
8 manufacturers of ignition interlock systems seeking to sell or
9 offer for sale or lease those devices in the State.

10 (c) The director may make an assessment against the
11 manufacturers of ignition interlock systems seeking to sell or
12 offer for sale or lease those devices in the State for the costs
13 incurred in the process of certifying each ignition interlock
14 device.

15 § **A-8 Misuse of system.** No person shall advertise for
16 sale, offer for sale, or sell or lease an ignition interlock
17 system in the State unless the system has been certified by the
18 director and the manufacturer of the system has affixed a
19 warning label on the system approved by the director, stating
20 that the tampering, circumventing, or other misuse of the system
21 may be a misdemeanor subject to a fine or imprisonment or both,
22 as established in section -9.

1 **§ A-9 Penalty.** Any person convicted of a violation of
2 this chapter shall be guilty of a misdemeanor and the court
3 shall revoke or terminate the person's driving privileges for
4 the remaining period during which the use of the system was
5 required.

6 **§ A-10 Annual Report.** The department of transportation
7 shall monitor the use of ignition interlock systems and shall
8 submit a report to the legislature no later than twenty days
9 prior to the convening of the 2010 regular session, on the
10 implementation, use, and effectiveness of ignition interlock
11 systems."

12 SECTION 3. Section 291E-61, Hawaii Revised Statutes, is
13 amended to read as follows:

17 be referred to the driver's education program for an assessment,
18 by a certified substance abuse counselor, of the person's
19 alcohol abuse or dependence and the need for appropriate
20 treatment. The counselor shall submit a report with
21 recommendations to the court. The court shall require the

3 person or by the person's parent or guardian, if the person is
4 under the age of eighteen.

5 (e) Notwithstanding section 831-3.2 or any other law to

7 subsection (b)(1), who had no prior alcohol enforcement
8 contacts, may apply to the court for an expungement order upon
9 attaining the age of twenty-one, or thereafter, if the person
10 has fulfilled the terms of the sentence imposed by the court and
11 has had no subsequent alcohol or drug related enforcement
12 contacts.

13 (f) Notwithstanding any other law to the contrary,
14 whenever a court revokes a person's driver's license pursuant to
15 this section, the examiner of drivers shall not grant to the
16 person an application for a new driver's license for a period to
17 be determined by the court.

18 (g) Any person sentenced under this section may be ordered
19 to reimburse the county for the cost of any blood tests
20 conducted pursuant to section 291E-11. The court shall order

5 upon a sentence imposed under subsection (b)(1).

6 (i) Any person who violates this section shall be guilty
7 of a violation.

8 (j) As used in this section, the terms "driver's license"
9 and "examiner of drivers" have the same meanings as provided in
10 section 286-2."
