

1 irrigation ditch system and Waimea irrigation ditch system on
2 the island of Hawaii.

3 SECTION 2. There is appropriated out of the general
4 revenues of the State of Hawaii the sum of \$3,500,000, or so
5 much thereof as may be necessary for fiscal year 2007-2008, for
6 the repair and maintenance of the lower Hamakua irrigation ditch
7 system on the island of Hawaii and the Waimea irrigation ditch
8 system on the island of Hawaii.

9 The sum appropriated shall be expended by the department of
10 agriculture for the purposes of this part.

11 PART II

12 SECTION 3. To provide relief in light of the damage done
13 to irrigation systems on the island of Hawaii after the 2006
14 earthquake, the department of agriculture has been using funds
15 from the irrigation system revolving fund to pay for expenses,
16 including the costs of hiring personnel for earthquake damage
17 assessment, contractors, pumping, and materials, supplies, and
18 equipment. Therefore, additional moneys are needed to reimburse
19 the irrigation system revolving fund.

20 The purpose of this part is to appropriate general funds to
21 be deposited into the department of agriculture's irrigation
22 system revolving fund to reimburse the fund.

1 SECTION 4. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$150,000, or so much
3 thereof as may be necessary for fiscal year 2007-2008, to be
4 deposited into the irrigation system revolving fund to reimburse
5 the fund for expenses incurred due to damage done to irrigation
6 systems on the island of Hawaii in the aftermath of the 2006
7 earthquake.

8 PART III

9 SECTION 5. This Act shall take effect on July 1, 2007.

Report Title:

Island of Hawaii; Irrigation Systems; Appropriation

Description:

Appropriates funds for the repair and maintenance of the lower Hamakua irrigation ditch system and Waimea irrigation ditch system on the island of Hawaii. Appropriates funds to the irrigation system revolving fund to reimburse the fund for expenses incurred due to damage done to irrigation systems on the island of Hawaii in the aftermath of the 2006 earthquake.
