A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the establishment of
2 a revolving fund for the department of education's office of
3 Hawaii child nutrition program is necessary to account for the
4 receipts from the administrative fees charged to the recipient
5 agencies for the distribution of federal commodity foods.

6 The legislature further finds that the United States
7 Department of Agriculture Food and Nutrition Service, Western
8 Region Office, monitors and approves the administrative fees
9 charged to the recipient agencies. However, federal legislation
10 does not allow the department of education to expend federal
11 moneys for the operations of state contracted warehouses.

12 The purpose of this Act is to create a revolving fund for
13 the collection and disbursement of generated revenue to support
14 the administration and operation of the department of education
15 food distribution program.

1 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§302A- Food distribution program revolving fund. (a)

5 There is established the food distribution program revolving
6 fund to be administered by the department.

7 (b) The food distribution program revolving fund shall
8 consist of:

9 (1) Administrative fees collected by the department for
10 administering and operating the food distribution
11 program;

12 (2) All interest earned on the deposit or investment of
13 moneys in the food distribution program revolving
14 fund; and

15 (3) Any other moneys made available to the food
16 distribution program revolving fund from other
17 sources.

18 (c) The revolving fund shall be used by the department for
19 the collection and disbursement of generated revenue to support
20 the administration and operation of the food distribution
21 program.

1 (d) The balance in the food distribution program revolving
2 fund shall not exceed the sum of \$2,000,000, or so much thereof
3 as may be necessary to pay for services rendered by the state
4 contracted warehouses for the distribution of federal commodity
5 foods to the recipient agencies. Any moneys remaining in the
6 revolving in excess of \$2,000,000 at the end of each fiscal year
7 shall be lapsed to the credit of the general fund.

8 (e) The food distribution program revolving fund shall not
9 be used for:

- 10 (1) Consultant or personal services rendered;
11 (2) Travel expenses that may include conference
12 registration, per diem, airfare; or
13 (3) Purchase of furniture, equipment, computer hardware,
14 or office supplies."

15 SECTION 3. New statutory material is underscored.

16 SECTION 4. This Act shall take effect on July 1, 2007.
