SENATE CONCURRENT RESOLUTION

REQUESTING THE CONVENING OF A TASK FORCE TO ADDRESS THE ISSUE OF
SHARING CRIMINAL BACKGROUND INFORMATION BETWEEN THE FEDERAL
AND STATE GOVERNMENT.

1 WHEREAS, immigration law is a creation of federal law,
2 encompassing many areas, including employment, citizenship, and
3 benefits; and

4
5 WHEREAS, since the September 11th, 2001 bombing of the World
6 Trade Center, the federal government has increased their
7 emphasis on securing our borders through initiatives like the
8 creation of the Department of Homeland Security; and

9
10 WHEREAS, one of the tools the Department of Homeland
11 Security uses in an effort to secure our borders is background
12 checks, although the current mechanisms for these checks are
13 backlogged; and

14
15 WHEREAS, the Department of Homeland Security is improving
16 the sharing of information amongst federal departments and with
17 the states, the agency itself is predominantly a counter-
18 terrorism organization; and

19
20 WHEREAS, events over the past several years, including,
21 most recently, the murder of Karen Etrell, highlight a different
22 kind of border security problem, that of immigrants with
23 criminal backgrounds entering the country and this state, and
24 committing crimes; and

25
26 WHEREAS, the Department of Homeland Security does deny
27 visas to known international gang members because of their ties
28 to international terrorism; and

29
30 WHEREAS, although our federal and state constitutions
31 guarantee the freedom to associate, and by inference, to travel
32 freely within the country, those legal guarantees and our

1 separate state governments make it difficult to identify and
2 track immigrants with criminal backgrounds; and

3
4 WHEREAS, improved information sharing between the federal
5 government and the states could help address these public safety
6 issues without infringing on the constitutional freedoms that
7 guarantee our freedom to associate and travel; now, therefore,
8

13 logistical impediments to the sharing of criminal background
14 information of immigrants between the federal government and the
