

JAN 23 2008

SENATE RESOLUTION

REQUESTING THE DEPARTMENT OF HEALTH TO ASSESS THE ADVANTAGES AND DISADVANTAGES OF REQUIRING CERVICAL CANCER VACCINATIONS FOR GIRLS BEFORE THEY ENTER THE SEVENTH GRADE.

1 WHEREAS, the Legislature finds that in 2007, over 11,000
2 women in the United States contracted cervical cancer and
3 approximately 4,000 women died from it; and
4

5 WHEREAS, the Legislature also finds that in other countries
6 cervical cancer affects approximately 500,000 women each year;
7 and
8

9 WHEREAS, the human papillomavirus (HPV) causes almost all
10 cases of cervical cancer; and
11

12 WHEREAS, though screening for cervical cancer through
13 regular Pap tests and the HPV virus test can reduce cervical
14 cancer deaths, vaccines have proved more effective; and
15

16 WHEREAS, in June 2006, the FDA approved a vaccine shown in
17 clinical research to be one hundred per cent effective at
18 preventing disease from high-risk types of HPV that account for
19 approximately ninety per cent of genital warts and seventy per
20 cent of all cervical cancers and a second vaccine which has been
21 shown to be equally effective is expected to be submitted by
22 early 2007; and
23

24 WHEREAS, to be most effective, the FDA-approved HPV vaccine
25 should be given before a person becomes sexually active and the
26 federal Advisory Committee on Immunization Practices recommends
27 that the HPV vaccine be given routinely to females aged 11 to 12
28 and as early as 9 years, and that women aged 13 to 26 should be
29 vaccinated; now, therefore,
30

31 BE IT RESOLVED by the Senate of the Twenty-fourth
32 Legislature of the State of Hawaii, Regular Session of 2008,
33 that the state Department of Health is requested to assess the
34 advantages and disadvantages of requiring cervical cancer
35 vaccinations for girls before they enter the seventh grade; and

1
2
3
4
5
6
7
8
9
10
11
12

BE IT FURTHER RESOLVED that the Department of Health submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than 20 days before the convening of the Regular Session of 2009; and

BE IT FURTHER RESOLVED that certified copies of this Resolution be transmitted to the Director of Health and the Governor.
