Upon review of the statements submitted by the nominees, your Committee finds that the aforementioned nominees will work with compassion and commitment to assist in administering the government functions related to services for individuals with mental illness or emotional problems. Your Committee further finds that the nominees have been appointed based upon their credentials, integrity, and a desire to make Hawaii better through their participation on the State Council on Mental Health to which they have been nominated.

Your Committee received testimony supporting the nomination of each of these individuals from the Department of Health. Your Committee received additional testimony from two individuals supporting the nomination of Liesje Cattaneo, from NAMI Hawaii and one individual supporting the nomination of Randolph Hack, from four individuals supporting the nomination of Donna Hansen, and from one individual supporting the nomination of Kuulei Kiliona.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on  
behalf of the members of the  
Committee on Health,

  
\_\_\_\_\_  
DAVID Y. IGE, Chair
