Upon review of the statements submitted by the nominees, your Committee finds that the aforementioned nominees will work with compassion and commitment to assist in administering the government functions related to health planning. Your Committee further finds that the nominees have been appointed based upon their credentials, integrity, and a desire to make Hawaii better through their participation on the Health Planning Council, Honolulu Subarea to which they have been nominated.

Your Committee received testimony supporting the nomination of each of these individuals from the Department of Health. Additional testimony was submitted supporting the nomination of Dr. Joan Dobbs from seven individuals. Your Committee received

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.
