

STAND. COM. REP. NO.

**3506**

Honolulu, Hawaii

APR 10 2008

RE: S.C.R. No. 41  
S.D. 1

Honorable Colleen Hanabusa  
President of the Senate  
Twenty-Fourth State Legislature  
Regular Session of 2008  
State of Hawaii

Madam:

Your Committee on Ways and Means, to which was referred  
S.C.R. No. 41, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE AUDITOR TO  
CONDUCT A SUNRISE REVIEW OF THE INDUSTRIAL HYGIENE, SAFETY,  
AND HEALTH PHYSICS PROFESSIONS,"

begs leave to report as follows:

The purpose of this measure is to request the Auditor to  
conduct a sunrise review of the industrial hygiene, safety, and  
health physics professions, which are proposed to be regulated  
under S.B. No. 2075 (2008).

No testimony was submitted to your Committee. However, your  
Committee notes that testimony in support of the measure was  
submitted to the prior committee.

Your Committee believes that a sunrise review will assist the  
Legislature in determining whether the public health and safety  
will be served by requiring individuals who represent themselves  
as experts in the control of workplace hazards to meet minimum  
educational and experience requirements.

As affirmed by the record of votes of the members of your  
Committee on Ways and Means that is attached to this report, your  
Committee concurs with the intent and purpose of S.C.R. No. 41,  
S.D. 1, and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Ways and Means,

  
\_\_\_\_\_  
ROSALYN H. BAKER, Chair
