

STAND. COM. REP. NO.

3490

Honolulu, Hawaii

APR 10 2008

RE: S.C.R. No. 59

S.D. 1

Honorable Colleen Hanabusa
President of the Senate
Twenty-Fourth State Legislature
Regular Session of 2008
State of Hawaii

Madam:

Your Committees on Water and Land and Agriculture and
Hawaiian Affairs and Transportation and International Affairs, to
which was referred S.C.R. No. 59 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
LAND AND NATURAL RESOURCES IN COOPERATION WITH THE DEPARTMENT
OF TRANSPORTATION TO CONDUCT A STUDY AS TO THE FEASIBILITY OF
PROVIDING A PERMANENT PORT AND DOCK FACILITY FOR THE VOYAGING
CANOES HOKULE'A, MAKALI'I, HOKUALAKA'I, NANAHOE, AND MO'OKIHA,"

beg leave to report as follows:

The purpose of this measure is to request the Department of
Land and Natural Resources ("DLNR") to cooperate with the
Department of Transportation ("DOT") to conduct a study as to the
feasibility of providing a permanent port and dock facility for
the Hawaiian voyaging canoes Hokule'a, Makali'i, Hokualaka'i,
Nanahoe, and Mo'okiha.

Testimony in support of this measure was submitted by the
Office of Hawaiian Affairs and one individual. Testimony in
opposition to this measure was submitted by the Department of Land
and Natural Resources and Department of Transportation.

Your Committees find that voyaging canoes that are designed,
built, and operated in the traditional manner of Pacific Islanders
play an important role in preserving, perpetuating, and practicing
traditional Hawaiian culture. The nonprofit organizations and
educational institutions that promote traditional Hawaiian culture
by usage of the voyaging canoes do not have a permanent place to

dock them and are charged mooring fees by the DLNR. Your Committees recommend that the DLNR, in cooperation with the DOT, should conduct a study to determine whether it is feasible to provide a permanent port and dock facility for the voyaging canoes.

Your Committees have amended this measure and its title by requesting that the DLNR, in cooperation with the DOT, establish a working group of stakeholders to study the feasibility of providing a permanent port and dock facility for the voyaging canoes and to make a recommendation as to the location of a permanent port and dock facility. The working group is to consist of representatives of DLNR, DOT, and the Polynesian Voyaging Society.

As affirmed by the records of votes of the members of your Committees on Water and Land and Agriculture and Hawaiian Affairs and Transportation and International Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 59, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 59, S.D. 1.

Respectfully submitted on behalf of the members of the Committees on Water and Land and Agriculture and Hawaiian Affairs and Transportation and International Affairs,
