NOTICE OF INFORMATIONAL BRIEFING

DATE: Wednesday, February 20th, 2008
TIME: 8 AM
PLACE: Conference Room 329
State Capitol
415 South Beretania Street

A G E N D A

The purpose of this informational briefing is to review the effects of heavy metals in soil and dust on the health of local populations, especially as they pertain to the PVT Landfill site on the Island of Hawaii.

The Director of Health, Chiyome Fukino, MD or her designee has been invited to attend and discuss potential health effects of heavy metals and the oversight role of the Department.

Concerned citizens will present the findings of a privately commissioned soil, dust, and water analysis conducted on samples taken from property abutting the PVT site.

If you require special assistance or auxiliary aids and/or services to participate in the House public hearing process (i.e., sign language interpreter or wheelchair accessibility), please contact the Committee Clerk at **808-586-9605** at least 24 hours prior to the hearing for arrangements. Prompt requests submitted help to ensure the availability of qualified individuals and appropriate accommodations.

FOR FURTHER INFORMATION, PLEASE CALL THE COMMITTEE CLERK AT 586-9605.

Selected meetings are broadcast live. Check the current legislative broadcast schedule on the "Capitol TV" Web site at www.capitoltv.org OR call 550-8074 for a listing.
