"Life on the Outside"

Former inmates and ex-offenders have many challenges before them after they have served their sentences and time in prison. Some become productive members in our society, and many unfortunately become caught in the revolving door in and out of prison. This hearing is intended to hear from those ex-inmates to listen to their stories of success and failure "on the outside". Former inmates, family members, business people, social workers, and others are invited to share their stories and comments.

If you require special assistance or auxiliary aids or services to participate in the public hearing process (i.e., sign or foreign language interpreter, wheelchair accessibility, or parking designated for the disabled) please contact the committee clerk 24 hours prior to the hearing so arrangements can be made.

Please note: Documents made available through the Testimony hyperlink(s) above may not be posted until the start of the hearing.

FOR FURTHER INFORMATION, PLEASE CALL THE COMMITTEE CLERK AT 586-6823.
