A G E N D A

The Senate Committee on Ways and Means and the House Committee on Finance will conduct two joint informational briefings on all grants-in-aid applications to the 2008 Legislature. On March 8th, the briefing will include applicants on Oahu. (A separate briefing notice is posted for the March 8th briefing.) On March 12th, the briefing will include Neighbor Island applicants. Applicants are not required to attend the joint briefings, and all grant-in-aid applications will be duly considered regardless of whether the applicants attend the briefings.

Due to the volume of applications received, and to maximize efficiency, the following rules will be applied during the informational briefings:

1. Only one (1) representative per application will be called to provide information and answer questions; and
2. Each representative will be allowed no more than three (3) minutes to provide any additional information.
3. Applicants will be heard in alphabetical order.

Additionally, representatives of the appropriate Executive Branch expending agencies responsible for the release and distribution of appropriated funds are also invited to participate in this process and be available to answer questions from the Committees about their respective analyses of grant-in-aid applicants' requests.

Testimony: **A-C, D-H, I-K, L-O, P-Q, R-Z**
