Subject Re: Hydrogen File 

Ken,

We need the following items:

- 1) Affidavit of Government Employees, BED-100 signed by Priscilla Thompson, John Chock, and JiaLin Sunn (Observers).
- 2) Disqualification letter instead of non-awarded letter for two of the companies that were disqualified during the evaluation.

Hello Eileen,

Other than Ted's memo to file providing rationale for H2energy selection, is the file complete? Please advise. Thanks.

Ken.
