Chairman Kalani English and members of the Senate Committee on Transportation and International Affairs:

On behalf of the men and women of SHOPO, we wish to testify in support of GM 422 relating to the consideration and confirmation of Ku'uhaku T. Park to the Commission on Transportation. As police officers, character and integrity are the foundations by which we perform our duties. We understand the importance of fairness, integrity and moral character for persons serving on state boards and commissions. SHOPO has always supported and endorsed people bearing these traits. SHOPO had the pleasure of meeting with Park and have found him to be a person of truth and honor. SHOPO holds Mr. Park in the highest regards and finds him to be a man of professional respect and outstanding moral character. We believe Ku'uhaku will serve the State Commission on Transportation well.

It gives us great pleasure to support the nomination of Ku'uhaku Park.
