Re: HB1525 Relating to Kukui Gardens

Chair Shimabukuro and members of the Committee, thank you for this opportunity to speak in strong support of HB1525. This bill will complete the process of saving the 857 housing units at Kukui Gardens as affordable rental housing and prevent the families living there from becoming homeless. This will be a remarkable achievement by an amazing array of people coming together on a common purpose. We should all thank and congratulate each other.

We urge you to pass HB 1525. Thank you.
