

Honolulu, Hawaii

July 29, 2008

RE: H.B. No. 2116  
H.D. 1

Honorable Calvin K.Y. Say  
Speaker, House of Representatives  
Twenty-Fourth State Legislature  
Regular Session of 2008  
State of Hawaii

Sir:

Your Committee on Higher Education, to which was referred  
H.B. No. 2116 entitled:

"A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII  
CENTER ON AGING EDUCATION AND RESEARCH,"

begs leave to report as follows:

The purpose of this bill is to allow the University of Hawaii (UH) Center on Aging Research and Education (Center) to carry out its mission to assure the well-being of Hawaii's elder population by appropriating funds to the Center to establish up to four faculty positions and for program expenses to develop methods to provide gerontological and aging education, curriculum and teaching development and coordination, outreach and community services, and student aid.

The Policy Advisory Board for Elder Affairs and several concerned individuals testified in support of this bill. UH supported the intent of this measure.

Your Committee has amended this bill by:

- (1) Changing the appropriation amount to \$1 to promote further discussion; and
- (2) Making technical, nonsubstantive amendments for clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2116, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2116, H.D. 1, and be referred to the Committees on Health and Human Services & Housing.

Respectfully submitted on  
behalf of the members of the  
Committee on Higher Education,

---

JERRY L. CHANG, Chair
