GOOD Morning Chairman GREE
VICE Chair Mizuno & members of the commit

Thank You for allowing us introduce ^{House} ~~Tattoo~~ bill #2283. By ^{Supporting} approving this bill, It will allow us to produce a first ever Tattoo Convention here in the State of Hawaii. The significance of this convention will not only showcase various styles methods of tattoo's but by educating ~~the~~ attendees as well.

We would like to also focus on culture preservation from different ethnic back grounds which has different meanings to their own tribal tattoos, geometrical symbols, shapes, and styles which only the tattoo artist can understand, ~~and share.~~

By passing ^{House} ~~tattoo~~ bill 2283 we strongly feel that it will be a great treat for the people of Hawaii, our tattoo artist, small businesses and enthusiast alike.

It is about time that Hawaii enjoy the tremendous success that our Mainland counter parts have enjoyed for many years.

THANK You ^{Time} ~~in~~ Consideration
