WALE TESTIMONY

DATE:

SUBJECT: **SUPPORT OF HOUSE BILL 2421, RELATING TO TRANSPORTATION**

Thank you for the opportunity to testify in this important measure. The purpose of this measure is to amend the definition of bicycle to include bicycle powered by an electric motor.

I support this measure for the following reasons:

1. I feel it is very important to support all forms of alternative transportation.
2. Support of walkable communities and all smart growth technologies should be embraced.

For the foregoing reasons, I support this measure.

Thank you for the opportunity to comment,
