Opposition to HB 2433, Relating to Adult Residential Care Homes

Lead Chair Shimabukuro, Chair Green, Vice-Chair Rhoads, Vice-Chair Mizuno, and Committee Members, I am Paul Dold, the President of Manoa Senior Care, which is comprised of seven Adult Residential Care Homes located in Manoa and Kaimuki, and I would like to present my strong opposition to House Bill 2433.

As background, Manoa Senior Care began in 1994 with the renovation of a home at 2156 Lanihuli Drive in Manoa. Since then, we have built a total of four care homes in Manoa – at 2240 and 2250 Oahu Avenue in 1999, and 2870 and 2872 Oahu Avenue in 2001. In 2002, we built our first care home in Kaimuki and then added two more in 2004. I have sought other opportunities to find land in the Manoa area since the original homes were built, but have found nothing appropriate or affordable.

Manoa has approximately 5,000 residents and fewer than ten care homes serving the area. Since opening the first home in 1994, I have never received a complaint about any of our Manoa homes.

Our elderly citizens make wonderful neighbors, and most of our residents have been members of the Manoa community for decades. This bill is very likely in violation of the Federal Fair Housing Act, a portion of which I have attached for your review, and reflects an intolerance to elderly people and an out-dated attitude of shipping the elderly off to facilities in other areas. My belief is the opposition to care homes arose in Manoa among wealthy individuals who are more interested in their property values than the plight of the elderly in our community.

I welcome the opportunity to tell you firsthand how appreciative our residents are that they can continue to reside in the same communities they spent most of their lives. Please accept my invitation for you and/or your staff to tour one of our homes so that you can see for yourself how care homes provide a truly needed service for Hawaii's elderly citizens. I can be reached by telephone at 440-0560 and I look forward to hearing from you.

(C) any person associated with that person.

(3) For purposes of this subsection, discrimination includes--

(A) a refusal to permit, at the expense of the handicapped person, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises, except that, in the case of a rental, the landlord may where it is reasonable to do so condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted.

(B) a refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(C) in connection with the design and construction of covered multifamily dwellings for first occupancy after the date that is 30 months after the date of enactment of the Fair Housing Amendments Act of 1988, a failure to design and construct those dwelling in such a manner that--

(B) A State or unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of paragraph (3)(C) are met.

(C) The Secretary shall encourage, but may not require, States and units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with paragraph (3)(C), and shall provide technical assistance to States and units of local government and other persons to implement the requirements of paragraph (3)(C).

(D) Nothing in this title shall be construed to require the Secretary to review or approve the plans, designs or construction of all covered multifamily dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of paragraph 3(C).

(B) Determinations by a State or a unit of general local government under paragraphs (5)(A) and (B) shall not be conclusive in enforcement proceedings under this title.

(7) As used in this subsection, the term "covered multifamily dwellings" means--

(8) Nothing in this title shall be construed to invalidate or limit any law of a State or political subdivision of a State, or other jurisdiction in which this title shall be effective, that requires dwellings to be designed and constructed in a manner that affords handicapped persons greater access than is required by this title.

(9) Nothing in this subsection requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

Sec. 816. [42 U.S.C. 3615] Effect on State laws

Nothing in this subchapter shall be constructed to invalidate or limit any law of a State or political subdivision of a State, or of any other jurisdiction in which this subchapter shall be effective, that grants, guarantees, or protects the same rights as are granted by this subchapter; but any law of a State, a political subdivision, or other such jurisdiction that purports to require or permit any action that would be a discriminatory housing practice under this subchapter shall to that extent be invalid.
