**LATE TESTIMONY**

Aloha Kakou.

As busy as you all are, I trust someone will take the time to read my letter of support for the above bill. I am a lifelong resident of Maui in my 60's and have been a commuter from Kihei to Kaanapali for over thirty years. I, along, with thousands of other commuters, businesses, and visitors have been regularly inconvenienced by road closures. I have often thought that there are ways to address this; yet, nothing seems to be done to improve this. For this reason, I strongly support HB2531!
