H.B. 2672, H.D. 2

RELATING TO PARKING

Chair Baker and members of the Committee, thank you for the opportunity to comment on H.B. 2672, H.D.2.

The Department of Accounting and General Services (DAGS) supports the repeal of the cap in the allowable balance of the state parking revolving fund. This will allow DAGS to address ongoing maintenance and operational needs for parking in a timely and effective manner. DAGS requests that if this bill is passed, it not take away from programs in the administration's budget submittal.

Thank you for the opportunity to comment on this matter.
