Re: H.B. No. 3343, H.D.1

The Hawai'i Civil Rights Commission (HCRC) has enforcement jurisdiction over state laws prohibiting discrimination in employment, housing, public accommodations, and access to state and state-funded services. The HCRC carries out the Hawai'i constitutional mandate that "no person shall be discriminated against in the exercise of their civil rights because of race, religion, sex or ancestry". Art. I, Sec. 5.

The HCRC supports H.B. No. 3343, H.D.1, which designates the month of October as Filipino-American History Month to annually commemorate the contributions of Filipino-Americans to Hawaii and the United States.

From the sakadas who first arrived here in 1906, to labor leaders like Pablo Manlapit and Carl Damaso who collaborated with other ethnic unions against oppressive conditions, Filipinos have made a positive and lasting impact upon these islands. For example, Filipino community advocates played a crucial role as part of a diverse coalition of organizations who came together to for the purpose of drafting legislation and lobbying for the establishment of a state civil rights commission. Many of the strategies successfully implemented in this effort were derived from the lessons learned during earlier civil rights struggles undertaken by Filipinos.

Our nation has also benefited from important contributions by Filipinos across the country, which are far too numerous to mention here.

The HCRC supports H.B. No. 3343, H.D.1.

COMMITTEE ON ECONOMIC DEVELOPMENT AND TAXATION

March 27, 2008

The Honorable Senator Carol Fukunaga, Chair
The Honorable Senator Will Espero, Vice Chair and
Members of the Committee on Economic Development and Taxation
The Twenty-Fourth Legislature
State Capitol
Honolulu, Hawaii 96813

Dear Chair Fukunaga, Vice Chair Espero and Members of the Committee on Economic Development and Taxation:

SUBJECT: RELATING TO FILIPINO-AMERICAN HISTORY MONTH (HB3343 HD1)

The Administration recognizes the importance of the Filipino community, both in Hawaii and the United States, and the history of economic, cultural, and social contributions they have made and support HB3343 HD1 designating the month of October as Filipino-American History Month.

The City and County of Honolulu has sister-city relationships with six cities in the Philippines: Vigan, Puerto Princesa, Manila, Baguio, Cebu, and Laoag City. The oldest relationship is with Laoag City which was established in 1969. These relationships were established to support the many historical and cultural ties that are shared between our cities. As many of the Filipino community in Honolulu originated from the Philippines, commemorating the history and heritage of Filipino-Americans with this designation would also reinforce the cultural diversity that is Honolulu.

Mahalo for the opportunity to testify.

Sincerely,

Ann H. Chung
Director of Economic Development
Office of Mayor Mufi Hannemann

**Senator Fukunaga, Senator Espero and
Members of the Committee:**

As President of the **Filipino-American Historical Society of Hawaii (FAHSOH)**, we support House Bill 3343, HD 1, which designates the month of October as Filipino-American History Month to annually commemorate the contributions of Filipino-Americans to Hawaii and the United States.

Our non-profit group, the **Filipino-American Historical Society of Hawaii**, was organized in 1980 to bring together individuals who were interested in learning more about Filipino heritage. Our mission is to "foster an appreciation of the heritage and experiences of Filipino-Americans in Hawaii. We believe that knowledge of the history and culture of all peoples affirms individual dignity and teaches respect and understanding."

During the 2006 Filipino Centennial Celebration, FAHSOH hosted the 11th Biennial Filipino-American National Historical Society (FANHS) Conference here in Honolulu, Hawaii. The theme was "Sakadas and beyond: connecting our past to inspire the future." We had the privilege of offering the hundreds of conference participants an opportunity to visit Hawaii's Plantation Village and Waialua so they could experience a unique living history museum and gain an appreciation of the struggles and contributions of Filipino workers as they lived with other ethnic groups in the plantation.

Our group continues to actively collaborate with other organizations and individuals in the community who seek to promote an understanding and respect for the Filipino-American experience and that of other ethnic groups in Hawaii.

Thank you for the opportunity to testify in support of House Bill 3343, HD 1, and for helping us to continue to foster cultural awareness and celebrate the contributions of all Filipinos.

Subject: **Testimony in Strong Support of HB 3343 HD 1**

Honorable Chair, Vice Chair, and members of the Senate Economic Development and Taxation Committee:

My name is Margarita Hopkins, President of the Congress of Visayan Organizations, which is a statewide umbrella organization that represents 22 unit organizations of Visayan ancestry.

I testify in strong support of this proposed legislation to designate the month of October as Filipino-American History Month, and to annually commemorate the contributions of Filipino-Americans to Hawai'i and the United States. One out of four of Hawai'i's diverse population of 1.2 million people are of Filipino or part-Filipino ancestry. Nationally, Filipinos are ranked the second largest Asian immigrant group. Even in the Philippines, there is great diversity among Filipinos. The American public, as well as Filipino Americans, will benefit from learning about our history and contributions. This is especially important, since the outcome of national and local legislation related to Filipino World War II veterans equity, immigration reform, and many other issues hinges on knowledge of Filipino American history by policy makers and the general public.

Thank you for hearing this important bill, and for this opportunity to testify. We appreciate your consideration to vote yes.

To: Hon. Sen. Carol Fukunaga, Chair; Hon. Sen. Will Espero, Vice-Chair;
Hon. Members of the Senate Committee on Economic Development and Taxation

From: Amy Agbayani, Assistant Vice Chair, National Federation of Filipino American Associations Region XII

My name is Amy Agbayani. I serve as Vice Chair of the National Federation of Filipino American Associations Region XII, which represents the interests of Filipinos in Hawai'i, Guam, and the Commonwealth of Northern Marianas Islands. NaFFAA Region XII is an affiliate of the National NaFFAA. Washington policy-makers, private industry and national advocacy groups recognize NaFFAA as the Voice of Filipinos and Filipino Americans throughout the United States. We are a non-partisan, non-profit national affiliation of more than five hundred Filipino-American institutions and umbrella organizations that span twelve regions throughout the continental United States and U.S. Pacific territories.

NaFFAA is happy to provide our strong support for designating October as Filipino American History Month. Hawai'i's public schools can play a vital role to develop an informed generation of students who are committed to social justice in order to achieve the vision laid out in the State's 2050 Summit Initiative. History Month is a strategic tool for enriching our public school's curricula to build the capacity of critical thinking and diversity competency skills that will position Hawai'i's labor force to take on cutting edge opportunities in the global arena that will benefit all people. It starts with knowing the history and struggles of classmates. It starts with self knowledge. It starts with a deeper understanding of friends. This is what Filipino American History Month can offer all students and the community. As Nohealani Cypriano, who is part Filipino, says, it is about "sharing a little aloha"(from the diverse lens of the Filipino people).

Thank you for this opportunity to provide testimony to support Filipino American History Month.

Sincerely,

Amy Agbayani, Ph.D., Assistant Vice Chair, NaFFAA Region XII

RELATING TO FILIPINO-AMERICAN HISTORY MONTH

Description: Designates the month of October as Filipino-American History Month to annually commemorate the contributions of Filipino-Americans to Hawaii and the United States

To: Hon. Sen. Carol Fukunaga, Chair; Hon. Sen. Will Espero, Vice-Chair;
Hon. Members of the Senate Committee on Economic Development and Taxation
From: Tessie Oculito, President, Philippine Nurses Association Hawaii

My name is Tessie Oculito. I am the president of the Philippine Nurses Association-Hawaii (PNAH). We are in strong support of this bill. As a national affiliate of the Philippine Nurses Association of America, our shared mission is to uphold and foster the positive image and welfare of our constituent members; to promote professional excellence and contribute to significant outcomes to healthcare and society. Our vision is to be an organization responsive to its constituent needs, and to be a force in the world arena of nursing.

Most of our members are first generation Filipinos, who immigrated to the United States because of the global nursing shortage. We were shocked to see and experience racism as a result of the harmful effects of Filipinos and Hawai'i's multi-ethnic groups who do not know their heritage languages nor their history and the relationship of their motherland to the United States. American families and the U.S. labor force are at an economic disadvantage because of insufficient cultural and linguistic competencies for critical transactions ranging from inter-generation family discord, to patients with health care providers, to brokering and closing socially responsible and mutually prosperous business deals.

We support this bill because students from diverse backgrounds in public schools and higher education will become informed of each other's historical lessons and worldview through Filipino-American History Month. This type of cutting edge education provides a strategic vantage point for an enlightened society to champion global challenges. Thank you for the opportunity to provide this testimony. Your consideration to pass this bill is appreciated.

Sincerely,

Hon. Members of the Senate Committee on Economic Development and Taxation

From: Jake Maegdeg, President, Filipino American Citizens League

My name is Jake Manegdeg. As president of the Filipino American Citizens League, I am proud to submit our full support of this bill. The Filipino American Citizens League was formed over ten years ago to contribute to the advancement of civil rights and social justice for minority groups, underserved populations, and vulnerable communities through education, advocacy, and social action.

I served as Chair of the 75th Anniversary Commission of Filipinos in Hawai'i, as well as a commissioner on the Filipino Centennial Celebration Commission. The achievements and contributions of Filipinos in Hawai'i since 1906 have been well documented. But after a hundred years of Filipinos in Hawai'i, it is time to make Hawai'i's history more relevant and accessible to Hawai'i's people. Filipino-American History Month will provide Hawai'i's multi-ethnic students and society knowledge that can help to transform ignorance, fear, and racial strife into universal truths to inspire people to be patient, compassionate, cooperative, and thoughtful in how we come to understand and resolve conflict within ourselves and with others. Provisions of this bill can foster the spirit of inquiry, self awareness, sense of belonging, empathy, unity and reciprocity for the greater good. As Sen. Barack Obama says, "Diversity defines us, not divides."

Thank you for the opportunity to support this bill. Your help in its passage will bring about the type of profound change that is needed to improve the lives of people and our planet. Hawai'i cannot afford not to.

Very Sincerely,

Jake Manegdeg,

My name is Beatrice Ramos Razon. I am in strong support of this bill. As the founder and president of NAMI (Nursing, Advocates & Mentors, Inc.). NAMI's membership is comprised of over 75 nurses, allied health care professionals, and Filipino leaders, who are dedicated to improve the health of Hawai'i's people by addressing the global issues of a worldwide nursing shortage through the training and mentoring of foreign medical graduate nurses to pass Hawai'i's nurses board exams.

Filipino-American History Month is of great importance to Hawai'i's diverse immigrant groups. Filipinos comprise 61 percent of immigrants, which is larger than all the other immigrant groups combined. Designating a month to promote knowledge of Filipino Americans will perpetuate and promote the building of allies among Hawai'i's multi-ethnic communities. We cannot underestimate the commitments to social justice made in Hawai'i schools that will carry on through adulthood, just as we see today in Sen. Barack Obama's quest to become the first U.S. president from Hawai'i. Even more, it is very important that all people know who they are, where they come from, and the struggles for equal treatment of minorities in the interpretation and enforcement of the U.S. Constitution. Thank you for the opportunity to provide support for this bill. NAMI appreciates your consideration of its passage.

From:

Bryan Andaya, President, United Filipino Council of Hawaii

My name is Bryan Andaya. I am the president of the United Filipino Council of Hawaii (UFCH). I submit this testimony to support HB 3343 HD 1 on behalf of UFCH, an umbrella organization with member organizations from six islands. Current membership includes a total of 5,000 individual members.

At our annual convention in July 2007, our delegates passed a resolution to offer Philippine language and history in Hawai'i's community colleges and high schools, especially in communities with large Filipino populations. We are pleased to do all we can to support your leadership to also advance Filipino American History Month in October. Knowledge of Filipino American history will add to the diversity competency skills of Hawai'i's multi-ethnic people. This is necessary to foster respect, understanding, and appreciation of differences among groups as assets that will empower communities to safeguard civil rights for all.

Filipinos in Hawai'i want to contribute to the successful progress toward prosperity, peace, and health in the 21st century. Please help us make this possible for all of Hawai'i's emerging youth leaders and children by passing this bill.

Thank you for the opportunity to present our testimony.

From: Charlene Cuaresma, President, Filipino Coalition For Solidarity

My name is Charlene Cuaresma. As president of the Filipino Coalition for Solidarity, I am submitting testimony in strong support of HB 3343. Since its inception in 1990, the Coalition has represented more than 50 Filipino community leaders whose aim is to work for social justice issues to empower Filipinos to make socially responsible contributions to Hawai'i and our global neighbors through education, advocacy, and social action.

We strongly believe that Filipino-American History Month will foster goodwill and critical thinking among Hawai'i's citizens at all levels of society. Research shows that building the capacity for ethnic pride and diversity competency fosters improved school performance and a productive, versatile labor force. Making education relevant to a child's life is key to developing a positive identity, an ethical and compassionate character, and a foundation for civic engagement to uphold civil rights for all. The Filipino Coalition For Solidarity has passed resolutions to address disparities affecting our State related to health, education, labor, immigrants, Filipino WWII veterans equity, and many more. Through one group at a time, History Month is an important initiative to harness the assets of diversity to build the capacity of a healthy, productive, and progressive State that can collaborate locally and globally to meet the challenges and opportunities of the 21st century. Filipino American Month is about contributing lessons learned from Filipino history for the benefit of all.

Thank you for this opportunity to present our support from the community. Your consideration for its passage is greatly appreciated.

Testimony on H.B. No, 3343 Relating to Filipino-American History Month
HD 1

Committee on Economic Development and Taxation

Senator Carol Fukunaga, Chair Senator Will Espero, Vice Chair

Date: Thursday March 27, 2008

Time: 1:15 P.M.

Place: Conference Room 224 State Capitol

Testimony of: Domingo Los Banos
1840 Komo Mai Drive, Pearl Cit y Hi, 96782,
Phone 456.2329

Madam Chairperson and members of the committee:

My name is Domingo Los Banos. I am an army veteran of WW II having served in the Philippine Campaign and also a retired member of the Department of Education. I serve as a volunteer docent at the Hawaii Plantation Village in Waipahu.

I speak in favor of HB 3343 HD 1: Relating to Filipino-American History Month which designates the month of October as Filipino-American History Month to annually commemorate the contributions of Filipino-Americans to Hawaii and the United States.

At the outset of this testimony, let me say thank you to the twenty third Legislatures for its funding support making possible the 100 year anniversary celebrations of the arrival of the 1st group of Filipino immigrant workers to plantations in Hawaii. It was a glorious year of celebrations throughout the Islands: touching each segment of the community including the cultural, the economic, the educational, the political, the social life of the Filipinos and its effect on the island community. It made the Filipino community swell with pride and hopefully it radiated into the ethnic groups of the total community.

The result of those celebrations produced a wealth of written materials and books on oral history of the struggles of the Filipino immigrants. For example, "4018" My Filipino Family in Hawaii by Glenn Paculba and "Holoholo to Wen I Wuz": Kolohe Days In Haiku, Maui. 1930s-1950s. by Louis Baldovi.

It produced great documentaries such as Emmie Tomingban's "Mabuhay with Aloha"- The Hawaii Filipino Experience 1906 -2006., Noel Izon's " Sandaan" 100 years of The Filipino American Experience in Hawaii and Mainland America and prior to the celebratory year, the "An Untold Triumph," the legacy of the 1st and 2nd Filipino Infantry Regiments, U.S. Army in WWII. Also produced by Noel Izon.

Already in national circulation is a photo exhibit of the Filipino -American Experience for the past 100 years in Hawaii and America put together by Dr. Dean Alegado. former Dean of Ethnic Studies, U of H. through a Smithsonian Institution grant.

Another out growth of the centennial celebration is work on a curriculum guide of the Filipino – American Experience in Hawaii and U.S.A. also through a grant by the Smithsonian Institute has begun. When completed, this will be useful for all school districts in the nation. This effort is being led by Dr. Patricia Halagao of the College of Education, U of H.

The designation of October as Filipino-American Month encourages the use of these significant resources to the general public and especially to the students of all our educational institutions.

Will this designation idea lead to a Chinese- American History Month or Korean – American Month or a Portuguese -American Month---? Why not? It would certainly make our history classes exciting and real. And does this not promote pride in each of our ethnic heritage, a value which we learned from our elders in the plantation era.

There is value in diversity! This will make our multi-ethnic society with our “rainbow colored children” a unique Hawaii experience..

Hopefully, H.B. no 3343 HD 1 will encourage the our educational institutions to utilize the rich history of all the immigrants that came to Hawaii to live.
