RE: HCR 28 – Requesting the City and County of Honolulu to Conduct a Feasibility Study to Address Major Concerns Along Kalihi Street

HEARING: Wednesday, February 27, 9:45 a.m.

Aloha Members of the Committee on Transportation,

Kalihi is one of several neighborhoods with extremely unsafe roads for pedestrians and bicyclists alike and has been highlighted in recent news stories. Given that the majority of people are interested in making Honolulu a pedestrian- and bicycle-friendly city, as evidenced by the passage of Charter Amendment 8 by ~77% of the voters in the 2006 general election, please consider adding a clause that the city also study the feasibility of adding bikeways along this street.

Aloha, Natalie
