**TESTIMONY IN SUPPORT OF HCR93 & HR75**

I support HCR93 & HR75, ENCOURAGING PARTICIPATION IN THE BLACK RIBBON AND BLACK ARM BAND CAMPAIGN AGAINST DOMESTIC VIOLENCE, as these resolutions seek to education communities about domestic violence and works to end domestic violence in Hawaii.

The wearing of a black arm band or black ribbon will signify a statement against domestic violence and hopefully we can use this State Resolution for a Statewide effort to end domestic violence in Hawaii.
