SENATE COMMITTEE ON JUDICIARY & LABOR
Senator Brian T. Taniguchi, Chair

February 22, 2008, 10:00 a.m.
Room 415, Hawaii State Capitol

In consideration of
S.B. 2141
RELATING TO PUBLIC HOUSING

The Hawaii Public Housing Authority (HPHA) strongly supports SB 2141.

HPHA policy currently prohibits the consumption of alcohol in common areas of the public housing projects in its lease agreement with each resident. When residents and/or their guests violate this rule, project managers issue a writ of violation letter to the resident. Upon receipt of the violation letter managers may schedule a meeting with the resident to reinforce the importance of HPHA's policy. If the resident commits a second violation the manager may now refer the resident for eviction based on a violation of the lease agreement.

HPHA's policy, however, is insufficient to handle situations in which there are large numbers of residents and/or guests drinking in the common areas of public housing projects. HPHA managers are only on-site during normal working hours and not during the late night and weekend time periods when parties typically take place. Security guards who are present during late nights and weekends are fearful or incapable of reprimanding a large group of intoxicated individuals, as the possibility of violence is increased with the consumption of alcohol. Unlike police officers, security guards do not carry weapons nor do they have arresting powers. This bill will enable law enforcement to enter public housing projects, which are not categorized as public land, and address problems with residents who are drinking alcohol in the common areas as a violation of state law.

Thank you for the opportunity to provide comments in strong support on this important bill.

Dear Chair Taniguchi, Vice Chair Hee, and Committee Members,

My name is Genevive Cadnette, and I am a resident of Mayor Wright Homes. I am testifying today in strong support of SB 2141. I am asking for safety for my family and all the people who live in Mayor Wright Homes.

I am 80 years old with a disabled son. Gangs have taken over my son's wheelchair ramp with their public drinking. They occupy the ramp every night and all day on weekends when we have no management, and I am terrified to confront them. Why should I have to say Excuse me, please, to gangs who do not belong here so my son can use his wheelchair ramp?

Please help stop the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes. Please pass SB 2141 so that all the residents of Mayor Wright can live in safety and peace.

Thank you for allowing me to testify.

My name is Shirleen Cordiero, and I am a neighbor from outside of Mayor Wright Homes. I am testifying today in strong support of SB 2141. I am asking for safety for myself and for the community surrounding Mayor Wright Homes.

We have gangs that go both inside and outside Mayor Wright. When they are outside, their drinking, fighting, and loud disturbance goes into the early morning hours. They take everything from our yards, and they rob our cars. Please help the residents of Mayor Wright Homes and the surrounding community. Please stop the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes and the illegal gang behavior that goes with it.

Please pass SB 2141 so that the entire Mayor Wright neighborhood can live in safety and peace.

Thank you for allowing me to testify.

When we call the police, the gangs run into Mayor Wright, but when the police go to Mayor Wright, the gangs just leave and use the outside streets again. We have public drinking, visible drug use, and gangs that take over our streets and parking structures. We need to stop public consumption of alcohol on the sidewalks and common areas so we can take back our streets from these gangs.

Please pass SB 2141 so that we can all begin to live in safety and peace.

Thank you for allowing me to testify.

My name is Binasita Eram, and I am a resident of Mayor Wright Homes. I am testifying today in strong support of SB 2141. I am asking for safety for my family and all the people who live in Mayor Wright Homes.

I have a paraplegic son, and gang members beat him one day with his own crutches. They left fractures and even punched me when I tried to intervene, then they broke my windows. These same gang members also beat my 9 year old nephew bad with a baseball bat, and they have beaten other of my neighbors as well. I have a restraining order, but these gang members are still on the property.

Please help us to stop the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes, so we can stop the gangs from terrorizing our community. Please pass SB 2141 so that all the residents of Mayor Wright can live in safety and peace.

Gang activity is a tremendous problem in this area. Gang drinking, drugging, and fighting moves from corner to corner, going all the way down to Banyon Street. I strongly support stopping the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes as a good beginning to stopping the gang activity that uses Mayor Wright property as a safe haven.

Please pass SB 2141 so that our entire community can begin to live in safety and peace.

Dear Chair Taniguchi, Vice Chair Hee, and Members of the Committee,

My name is Fetu Kolio, my wife is Eleanor, and we are residents of Mayor Wright Homes. We are testifying today in strong support of SB 2141. We are asking for safety for our family, for all of Mayor Wright Homes, and for the entire community surrounding Mayor Wright.

Gang drinking, fighting, late-night noise, and intimidation make it impossible to sleep at night and make our community unsafe to live in. My neighbors are terrorized, and my wife has nightmares and asthma attacks at night. Police say this is public housing on private property, so it is a matter for security, then security does nothing. Even if police stop the gang activity one night, they just move outside to city streets, and they come back in the next night. My neighbors are terrified of gang retribution, so that people are afraid to speak out.

We need the standards and the tools to rid our entire community of this gang violence. We need the police to be able to do their job on Mayor Wright property, and we need real and accountable security. We need SB 2141. Please help us to stop the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes, so we can begin to stop gang activity throughout our entire community, both inside and outside Mayor Wright. Please pass SB 2141 so that our entire community can live in safety and peace.

Thank you for allowing us to testify.

Dear Chair Taniguchi, Vice Chair Hee, and Members of
the Committee,

My name is Leonard Lester, and I am a resident of
Mayor Wright Homes. I am testifying today in strong
support of SB 2141. I am asking for safety for myself
and for all the Mayor Wright Homes community.

I was beaten on the head and arms by gang members
with pipes. I was seriously injured and missed work.
Now the gang members know me, and they surround me and
threaten me regularly. We have public drinking,
trespassing, and lots of drugs here. We have people on
our property lying down and sleeping on stairways,
sometimes for days from drugs.

If we could stop the public consumption of alcohol
and drugs on the sidewalks and common areas of Mayor
Wright Homes, this would help stop the illegal gang
behavior that often comes from public drinking. Please
pass SB 2141 so that all the residents of Mayor Wright
can live in safety and peace.

All the public drinking and lack of security creates a great problem here. Our nephews were beaten with baseball bats by two pickup truck loads of gang members and left lying on the ground in critical condition. Gangs use Mayor Wright as a safe haven—these criminals are still loose, there have been no arrests.

Stopping the public consumption of alcohol will help us to stop these gangs from hanging around here. Please pass SB 2141 so that all the residents of Mayor Wright can live in safety and peace.

and we are residents of Mayor Wright Homes. We are
testifying today in strong support of SB 2141. We are
asking for safety for ourselves and all the people who live
in Mayor Wright Homes.

I had to get a restraining order against several gang
members after they repeatedly threatened my husband and me
with Micronesian racial slurs, chased my husband with a
sword, and attacked me with kicks and punches. I am
epileptic, and I even went into shock and had a seizure
after one attack. The police know who these gangs are, but
they are still on the property.

We are active church members, do not believe in
violence, and we have done nothing to deserve this. We are
terrified and confused by this criminal activity. We do
not know who to rely on.

Please stop the public consumption of alcohol on the
sidewalks and common areas of Mayor Wright Homes to help us

My name is Marino Ricky, my wife is Judy, and we are residents of Mayor Wright Homes. We are testifying today in strong support of SB 2141. We are asking for safety for ourselves and all the people who live in Mayor Wright Homes.

A cousin and I were attacked and punched repeatedly by two known gang members in the parking lot. My wife witnessed the whole thing from the third floor. More gang members were on the way when neighbors ran out, stopped them beating us, and called 911. We are terrified of these gangs. Everybody knows who they are, but there have been no arrests.

We have elderly and Asian residents getting harassed, robbed, mugged, or beaten almost every day waiting on busses, and the gangs are always seen running back into Mayor Wright Homes. There are never any suspects, never any arrests, just police reports of these incidences that are hard for my neighbors to file due to language barriers.

We need to do everything that we can to deny a safe haven to gangs in Mayor Wright Homes. Please stop the public consumption of alcohol on the sidewalks and common areas of Mayor Wright Homes, to help deny the gangs safe haven there.
