Support of SB 2187, Making An Appropriation for West Hawai'i Housing

My name is Mattson Davis, President and CEO of the Kona Brewing Company and I am writing to you in support Making An Appropriation for West Hawaii Housing.

I support **SB 2187** because it will facilitate affordable housing in West Hawaii and will provide a safe community close to where families work and play. Transitional and affordable rental housing will allow the community of West Hawaii to move in a positive direction and will help minimize families that are negatively affected by homelessness.

I urge the committee to pass **SB 2187**.
Thank you for this opportunity to testify.

Respectfully submitted,
