Committee on Human Services and Public Housing

LATE

Dear Chair Oakland and Members:

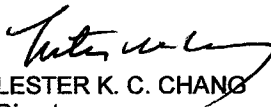

Subject: SB 2221 Relating to Public Restrooms

The City and County of Honolulu, Department of Parks and Recreation, supports the passage of SB 2221, which would provide funding to the State and Counties to raise their level of maintenance of public restrooms.

The restrooms at City and County parks are maintained on a daily basis and more often at selected high use sites. The passage of this bill and the subsequent release of the funds will greatly enhance our ability to maintain our public restrooms at a higher level.

Thank you for this opportunity to testify.

Sincerely,

LESTER K. C. CHANG
Director
