Testimony in strong support of SB2546 Relating to Offender Reentry
Monday March 31, 2008
2:00 PM
Room 308

Submitted to Committee on Finance
Rep. Marcus R. Oshiro, Chair
Rep. Marilyn B. Lee, Vice Chair

Aloha Chair Oshiro and Vice Chair Lee,

Please make the establishment of the reentry program mandatory by clarifying the amendments to chapter 353H, Hawaii Revised Statutes. The provisions of Act 8 should be mandatory rather than "directory."

Mahalo for the opportunity to testify.

Sincerely,
Mary Lacques

We, the undersigned, support Senate Bill No. 2334 and House Bill No. 2066, Relating to Law Enforcement. These measures would require that the Deputy Director for Law Enforcement and the State Sheriff have graduated from a law enforcement academy. Enactment of this State public policy will better ensure that effective State policies will be in place that preserve public and officer safety, appropriate training of state law enforcement officers is provided, and law enforcement practices are implemented and followed to successfully address crime in our State. Thank you for your support.
