**Testimony in support of SB 2699 RELATING TO PUBLIC SCHOOL
REPAIR AND MAINTENANCE**

Chair Sakamoto and members of the committee:

We support Hawaii 3Rs and their model efforts to support the repair and maintenance of public schools. This new initiative would further enhance their innovative public-private partnerships.

The Hawaii Charter School Facilities Fund looks forward to developing a mutually beneficial relationship with Hawaii 3Rs to support the facilities needs of public schools.

Sincerely,

Taffi Wise
