Senator Suzanne Obland:

I strongly support senate Bill #2370
& ~~Sen~~ Senate Bill #2371. 2730

It is important that grandparents get first priority, because they are bonded with each other & they are a vital part.

I was one of grandparents, when two of my grandson's was removed & sent to the mainland at the age of 8 & 9 years old, just Ten (10) years. We wanted to adopt these boys. We went to the court, and the judge refused because the

Thanks to Eric Phana for ^{state} providing their foster parents. I was so happy to see & meet my grandson Bronson & Garryson Kaaihue December 2007.

I am also a member of Na Tutu. Grandparents raising grand children.
