TESTIMONY ON SENATE BILL NO. 2914 – RELATING TO TOWING.

TO THE HONORABLE J. KALANI ENGLISH AND LORRAINE R. INOUE, CHAIRS,
AND MEMBERS OF THE COMMITTEES:

The Department of Commerce and Consumer Affairs ("Department") appreciates the opportunity to testify in opposition to Senate Bill No. 2914, Relating to Towing. My name is Stephen Levins, and I am the Executive Director of the Department's Office of Consumer Protection.

Senate Bill No. 2914 seeks to reinstate towing charges that were just prohibited by this Legislature a mere seven months ago. At that time, the towing law, section 290-

11 of the Hawaii Revised Statutes, was amended to allow towing companies to increase their fees considerably. Pursuant to Act 269, towing fees increased from \$55 to \$65, dolly towing fees from \$65 to \$75, daily storage fees from \$20 to \$25, and mileage fees from \$6.50 per mile to \$7.50 per mile. In recognition of these significant monetary increases that would be absorbed by Hawaii consumers, the Legislature prohibited overtime charges and unhooking fees. Since nothing has really changed in the past seven months to allow for their reassessment, the Department does not believe that the towing law needs to be changed once again.

Thank you for this opportunity to testify on Senate Bill No. 2914. I will be happy to answer any questions that the members of the Committees may have.

Senate Bill 2914 Relating to Towing

Chair English, Chair Inouye, members of the Senate Committee on Transportation and International Affairs, and members of the Senate Committee on Intergovernmental and Military Affairs, I am Rick Tsujimura, representing State Farm Insurance Companies, a mutual company owned by its policyholders. State Farm is opposed to Senate Bill 2914 Relating to Towing.

State Farm is opposed to Senate Bill 2914 because it will increase costs for our policyholders throughout the state. Although we recognize the exception to the overtime charges provided for Honolulu in subsection (f), we feel that on balance this increase is unnecessary and would increase costs.

For these reasons we ask that you hold this measure. Thank you for the opportunity to present this testimony.

RE: SB2914, Related to Towing

Dear Chair English, Vice Chair Gabbard, Chair Inouye, Vice Chair Tsutsui and
Committee Members:

SB2914, Related to Towing proposes to reinstate a provision in the HRS that was mistakenly omitted in the redraft of this section last session. The fee for overtime charges has been \$15.00 for years and is not being changed nor is the times that it is applicable, (6:00 p.m. through 6:00 am, Monday through Thursday and Friday 6:00 p.m. through 6:00 a.m. on Monday). By the time we caught the error it was too late to amend the bill as this fee was neither in dispute nor being changed.

A new section is being added on page 6(f), which requires the towing company to be open 24 hours a day, 7 days a week if they tow and store a car on their premises.

It appears that some consumers have complained that when they arrived in rural areas to pick up their automobile the business was not open. This leads to more costs to the consumer, as the daily storage charge is not waived. Perhaps a penalty for not being available to the consumer should be as you have in HRS 290-11 (b)(2)(c) page 4, line 1, "the owner may recover the owners car from the towing company without paying tow or storage fees."

We assume verification can be made to the police department by filing a complaint.

Mahalo for your consideration of these comments.

Sincerely,
Jan Wakayama
President
