SB3062 Emergency Appropriation  
 Chair Chun Oakland & members  
 of the Committee

As a brief statement, I would like to address the issues of Hawaii Public Housing's Budget deficit, we have many concerns that how financially for improving the living and repair conditions of our community. HPHA & Staff and Chad Taniguchi have been very supportive to improve the operations & living conditions to all Housing facilities. With the Short Staff delinquent payments of rent has caused many of our problems. We need your help to make changes to the Residents living conditions & Community. Chad & myself have traveled to the outer islands to address all issues at hand. I apologize for this statement as it wanted to be prepared in the Short Time
