RE: SB # 3168, SD 1
Academy for Creative Media Program; Established in West Oahu
HEARING DATE: Monday, February 25, 2008, 10:30 am
Conference Room
State Capitol

Dear Senate Committee Members:

This testimony is in support of SB # 3168, which establishes the academy for creative media (ACM) program in statute under the University of Hawaii at West Oahu; amends Act 11, special session 2007.

This is a great opportunity for the residents on this side of the island to have such a program and your support would be most appreciated.

I hope you will continue to support this bill.
