Subject: SB3203, SD1 -- Relating to Animal Hoarding

FROM: Kawehi Yim, Community Relations Director
Hawaiian Humane Society
TO: House Committee on Judiciary
HEARING: March 20, 2008, 2:25 p.m.
SUBJECT: SB3203, SD1 – Relating to Animal Hoarding

The Hawaiian Humane Society supports legislation that strengthens Hawaii’s animal welfare laws. However, SB3203, SD1, in its current wording does not strengthen the Humane Society’s ability to better protect Hawaii’s animals. If that is your intent then this current language will not accomplish this.
