State Capitol, Room 409  
Honolulu, Hawai'i 96813

Dear President Hanabusa,

In accordance with Act 213, SLH 2007, funds were appropriated to the Hawai'i Tourism Authority (HTA) and to the Hawai'i State Department of Transportation to undertake a cost-benefit analysis of the cruise industry in the State of Hawai'i. The full report is comprised of an executive summary and nine modules on various cruise-industry topics.

Due to the voluminous nature of this report, attached are two (2) printed copies of the executive summary and two (2) discs containing the electronic files of all nine modules.
